worlds that document historically the same information told by ex-priests. The author exposes the Vatican’s involvement in world politics, intrigues, and the promotion of wars throughout history. It appears, beyond any doubt, that the Roman Catholic institution is not a Christian church and never was. The poor Roman Catholic people have been betrayed by her and are facing spiritual disaster. Paris shows that Rome is responsible for the two great world wars.

This book explores how the trial of the entire military command of the Nazi power structure in Italy, Germany, France, and Poland, in August 2008, is placed on trial. It is a highly significant event in the history of law and justice. The author does not seek to justify or excuse the actions of the Nazi leaders, but rather to examine the legal and historical context of their crimes.

"Inquisitor" and "The Saturday Review" praise this book as a "powerful and necessary" work.

--Johanna Paris, Inquisitor

"This book is a masterpiece of legal scholarship and a treasure trove of information for anyone interested in the history of the Nazi era. It is a must-read for historians, lawyers, and anyone who wants to understand the legal and moral dimensions of the crimes committed during the Holocaust.

--The Saturday Review

"This book is a compelling and well-written account of the Nuremberg trials, one of the most important events in modern history. It provides a comprehensive and balanced analysis of the trials, their historical context, and their implications for the law and justice. It is a valuable contribution to the ongoing debate about justice and accountability in the wake of mass atrocities.
