Philippine Nationalism

A Nation Aborted-Floro C. Quibuyen 1999

The Revolution-José Rizal 1991

Rizal and the Emergence of the Philippine Nation-José
S. Arcilla 2001

The Reign of Greed-José Rizal 1912 Classic story of the
last days of Spanish rule in the Philippines.

Silent War-Victor N. Corpus 1989

Daisy Dooley Does Divorce-Anna Pasternak 2007-10-22
For Daisy Dooley, the only thing worse than being 39 and
single is being 39 and divorced. A self-professed self-help
addict, Daisy leaves the marriage she thought would forever
rescue her from the angst of will he or won't he call, coping with painful setups from well-meaning friends, and lonely Saturday nights, only to return to the painful--and painfully funny--world of dating. Supported by her two best friends, one commitment-phobic single serial dater and one picture perfect happy wife and mother of two whose marriage sets the standard in happy marriages--at least from the outside--Daisy must find her way back through the awkward mating rituals that accompany relationships with the post-divorsee rebound man, and the passionate twenty-something eager to date a "mature woman," and battle the longing to be with the one true love who eluded her years before. In the end, Daisy Dooley does date who she deserves, and delivers a lot of laughs and lessons along the way.

**Filipinos and Their Revolution**-Reynaldo Clemeña Ileto 1998 "The book addresses key issues in Philippine history and politics, but will be of interest, as well, to students of comparative history, cultural theory, and historiography."--BOOK JACKET.

**It’s OK to Be Not OK**-Federico G. Villanueva 2017-09-30 How often have you seen a friend and been greeted with “How are you?” Almost always our automatic response is “Fine thank you” regardless of whether it’s true. We proclaim in church services that “God is good all the time . . . All the time God is good,” but there are often times when we feel that life is just unfair and ask God, “Why?” The uplifting songs and victorious testimonies of our church
gatherings are frequently difficult to identify within the midst of the suffering and hardship of people’s daily lives, yet there is all too often no room for our “not-OK” experiences in our Christian communities. This is especially true for pastors and leaders who are required to always be strong and OK all the time. But the songs of lament in the Psalms paint a very different picture of understanding life and how human beings express themselves to God. Dr Rico Villanueva uses these Scriptures to teach us that in the presence of God, there is room to be “not-OK” and that our negative experiences don’t have to be ignored. This book challenges us to confront our struggles and questions instead of denying them. Most importantly, the author invites us to bring all of ourselves into the presence of God and the community of faith. For it is through our experiences and sharing them with God and his church that we grow in intimacy with God and our relationships with one another.

Knowledge and Pacification-Reynaldo Clemeña Ileto 2017

La India, Or Island of the Disappeared-Rosario Cruz Lucero 2012

Innocence, fear, and intrigue permeate this collection of interrelated stories, which span more than four hundred years, from the time of the fictional Datu Kalantiaw to the postmodern phenomenon of migrant labor. The result is a concatenation of tales, legends, official history, alternative histories, mythic and fairy-tale formulas, and all manner of discourse that the author could pull out of the
cornucopia of texts that compose Philippines island life. "The stories are a wonderful weave of history and imagination, showing Rosario Cruz-Lucero's expertise with language and narrative structure. Wit, irony, and humor emanate from her style--a combination of magic realism and surrealism--which renders the reading of the stories a pleasurable experience. There is a pervading linkage between the stories, some invented "historical" relationship of characters and plot, through which a main central narrative emerges." --Dr. Cirilo F. Bautista, poet, fictionist, and professor emeritus of De La Salle University

The trial of Rizal-Horacio De la Costa 1996

The Foundations of the Modern Philippine State-Leia Castañeda Anastacio 2016-08-22 This book examines how the colonial Philippine constitution weakened the safeguards that shielded liberty from power and unleashed a constitutional despotism.

The Nation as Project-Paul Arvisu Dumol 2018

Fabián de la Rosa and His Times-Ana P. Labrador 2007

The Social Cancer-Jose Rizal 2009-06-01 Filipino national hero Jose Rizal wrote The Social Cancer in Berlin in 1887. Upon his return to his country, he was summoned to the palace by the Governor General because of the subversive ideas his book had inspired in the nation. Rizal wrote of his consequent persecution by the church: "My book made a lot of noise; everywhere, I am asked about it. They wanted to anathematize me ['to excommunicate me'] because of it ... I am considered a German spy, an agent of Bismarck, they say I am a Protestant, a freemason, a sorcerer, a damned soul and evil. It is whispered that I want to draw plans, that I have a foreign passport and that I wander through the streets by night ..."

El Filibusterismo-José Rizal 1968 José Rizal has a good claim to being the first Asian nationalist. An extremely talented Malay born a hundred years ago in a small town near Manila, educated partly in the Philippines and partly in Europe, Rizal inspired the Filipinos by his writing and example to make the first nationalist revolution in Asia in 1896. Today the Philippines revere Rizal as their national hero, and they regard his two books, The Lost Eden (Noli Me Tangere) and The Subversive (El Filibusterismo) as the gospel of their nationalism. The Subversive, first published in 1891, is strikingly timely today. New nations emerging in Africa and Asia are once again in conflict with their former colonial masters, as were the Filipinos with their Spanish

Culture, Nov. 17-19, 1988, Ateneo de Manila University.
rulers in Rizal's day. The Subversive poses questions about colonialism which are still being asked today: does a "civilizing mission" justify subjection of a people? Should a colony aim at assimilation or independence? If independence, should it be by peaceful evolution or force of arms? Despite the seriousness of its theme, however, The Subversive is more than a political novel. It is a romantic, witty, satirical portrait of Spanish colonial rule in the Philippines at the end of the nineteenth century, written in the tradition of the great adventure romances. The translation by Leon Ma. Guerrero, Philippine ambassador to the Court of St. James, conveys the immediacy of the original, and makes this important work available to a new generation of readers. His translation of The Lost Eden is also available in the Norton Library.

The Fixer - Bernard Malamud 2014-04-03 Kiev, 1911. When a twelve-year-old Russian boy is found stabbed to death, his body drained of blood, the accusation of ritual murder is levelled at the Jews. Yakov Bok - a handyman hiding his Jewish identity from his anti-Semitic employer - is first outed and blamed. Arrested and imprisoned, Bok refuses to confess to a crime that he did not commit. What becomes of this man under pressure, for whom acquittal is made to seem as hopeless as conviction, is the subject of a terrifying masterpiece of twentieth-century fiction.

Sucesos de las Islas Filipinas, 1609, by Antonio de Morga - J.S. Cummins 2017-05-15 An account of the history
of the Spanish colony in the Philippines during the 16th century. Antonio de Morga was an official of the colonial bureaucracy in Manila and could consequently draw upon much material that would otherwise have been inaccessible. His book, published in 1609, ranges more widely than its title suggests since the Spanish were also active in China, Japan, Southeast Asia, Taiwan, the Moluccas, Marianas and other Pacific islands. All of these are touched on by Morga to a greater or lesser degree, and he also treats the appearance on the Asian scene of Dutch rivals to Spanish imperial ambitions. In addition to the central chapters dealing with the history of the Spaniards in the colony, Morga devoted a long final chapter to the study of Philippino customs, manners and religions in the early years of the Spanish conquest. From the first edition, Mexico, 1609. A new edition of First Series 39.

**Revolutionary Spirit**-John Nery 2011 A study of Rizal, his works, and his influence in Southeast Asia; how his contemporaries saw him; the role Rizal played in inspiring Indonesian nationalists; how the Indonesians and Malaysians appropriated him in the movement for independence, and how he figures in the region's intellectual, political and literary discourse.

**Rizal's Life, Works, and Writings**-Diosdado G. Capino 1977

American Empire-A. G. Hopkins 2019-08-27 A new history of the United States that turns American exceptionalism on its head American Empire is a panoramic work of scholarship that presents a bold new global perspective on the history of the United States. Taking readers from the colonial era to today, A. G. Hopkins shows how, far from diverging, the United States and Western Europe followed similar trajectories throughout this long period, and how America's dependency on Britain and Europe extended much later into the nineteenth century than previously understood. A sweeping narrative spanning three centuries, American Empire goes beyond the myth of American exceptionalism to place the United States within the wider context of the global historical forces that shaped Western empires and the world.
**Imagining Our Americas**-Sandhya Shukla 2007-07-20
DIVChallenges the disciplinary boundaries and the assumptions underlying the fields of Latin American Studies and American/U.S. Studies, demonstrating that the "Americas" is a concept that transcends geographical place./div

**Love, Passion and Patriotism**-Raquel A. G. Reyes 2008
Love, Passion and Patriotism is an intimate account of the lives and experiences of a renowned group of young Filipino patriots, the men whose propaganda campaign was a catalyst for the country's revolt against Spain. As writers, artists, and scientists who resided in Europe, they were exposed to new ideas. Reyes uses their paintings, photographs, political writings, novels, and letters to show the moral contradictions inherent in their passionate patriotism and their struggle to come to terms with the relative sexual freedom of European women, which they found both alluring and sordid.

**Dead in the Water**-Nelson Suzanne 2013
The last place in the world Bree wants to spend her summer is at Midnight Lake. There's no cell reception, no shopping, and no normal food! To make matters worse, Bree's Aunt Hedda seems determined to make Bree's stay with her as miserable as possible. Aunt Hedda's superstitions and cooking are weird to begin with. Everyone in town seems to think her aunt is crazy, but when Bree starts hearing strange night music and finds bones washed up on shore, she starts to wonder if her
aunt might just be right. And then there's Quin, the mischievous, brooding local boy who seems to be hiding a secret of his own. Now Bree must uncover the secrets of Midnight Lake before she, or someone she cares about, becomes its next victim.
