This one unfolds just south of Fourteenth Street in Manhattan, on the seven blocks of Fourth Avenue bracketed by Union Square and Astor Place. There, for nearly eight decades from the 1890s to the 1960s, thrived the New York Book and Book Stall, which began its life as a book stall on Eighth Street and today is the busy place of business. This is a story about the bookstall and its owners, the book dealer George D. Smith; the irascible Russian-born book hunter Peter Stemmer; the visionary Theodore C. Schull; the cub scout, founder of the still-existing Astro Book Store, and gentleman bookdealer George Rohnstein; and his formidable wife, Jessie. A Ghetto is an unprecedented record of urban change. Vergara began his documentation of Harlem in the tradition of such photographers as Jacob Riis in New York City’s slums, Dorothea Lange and Walker Evans in the Great Depression, and Gordon Parks in the Civil Rights era. Vergara’s photography reveals the extent to which the economic, political, and social changes of the past half-century have transformed the neighborhood. His eye is unflinching and his perspective is unflinching. This book will change the way you think about Harlem and all of our cities.
