Parenting A Sacred Task 10 Basics Of Conscious Childraising

Parenting, a Sacred Task-Karuna Fedorschak 2003
Karuna was thirty-five before she made her first pancake! Now, this mother of two and long-time spiritual practitioner is sharing the ten basic ingredients she has discovered for creating a model of parenting that works for everyone.

Parenting-Karuna Fedorschak 2014-09-29 If you are a parent, you know the feeling that there are some things you might have done better. If you are going to be a parent, there is the feeling of wanting to do the very best for your child that you possibly can. Parenting, A Sacred Task meets both these perspectives. Karuna Fedorschak knows what all parents know: there are no formulas for parenting that will work in every situation. Her book presents the basics that emerge in the best of parent-child relationships: including humor, respect, boundaries and physical touch. You do not have to be a super-parent to apply these basics. Karuna didn’t even know how to make a pancake when she began mothering. "The most essential ingredient of treating parenting as sacred,” she says, “is the intention to give your
children the best of who you are, so that they can be the best of who they are."

**8 Strategies for Successful Step-Parenting**-Nadir Baksh
2013-02-09 Maximize Your Success in the Life-Altering Job of Step-Parenting. **** No matter who you are, and how much experience you’ve had with kids, becoming a step-parent, or “blending” families is difficult work. The book presents 8 Strategies, in the form of action steps, to maximize anyone’s chances of success. Written in a non-apologetic voice, the authors present strong and specific direction for handling common problems. Vignettes of 30 real-life family situations support the strategies suggested. Issues and examples are applicable cross-culturally, and address needs of both men and women. *** As a clinical social worker working with children and families for over thirty years, I was amazed that a book for stepparents was finally written in a no-nonsense approach to melding two or more families as a whole. There is now a map to navigate this potential mine field. The authors traverse the mine field with specific and practical advice for real world parents and real world children. Written with their special ability to pull the reader in and make you feel you can do it! -Rhonda Terpak, LCSW **** Finally! A book that skips the psychological babble and offers straight-up advice for building a loving, respectful blended family. This book should be required reading for anyone who applies for a marriage license the second time around! -Rod Slane, stepfather; and composer, Prescription Audio. **** These authors have provided a nuts and bolts guide that offers
simple solutions to a complex issue. It will remain on my nightstand where it is destined to become a well-worn reference manual for this busy career woman who also happens to be the adoptive parent and step-parent of seven children. This is a must for anyone who is now, or is considering to become a step-parent! -Jill Noonan, film producer, Dreams Beyond Production. **** Another great book destined to be a best seller. These authors never cease to amaze me! It is like reading a novel, except the characters are real. Insightful, interesting, and a page-turner.-Uwe Geertz, Ph.D., professor of psychology.

**You Don't Know Anything...!**-Nadir Baksh 2013-02-09
Help Your Teenagers and Yourself to a Saner, Safer Life. This book offers immediate and clear help to parents, family members and teachers who are angry, confused, frustrated, sad, or at their wit’s end in dealing with their teenagers. Topics include: • Understanding the real anxieties of 21st-century teenagers • Creating and maintaining boundaries (and consequences) that work • What to do about lying and manipulation • Sex, drugs and rock ‘n roll – their choices and your guidance • Maximizing their safety in: driving, working, use of the Internet ... etc. • Helping kids cope with societal and peer pressures The blinders have been on long enough! This book allows readers to see exactly what is going on in teenagers’ thoughts, actions and lives, and offers workable ways of dealing with behavioral issues. – Susie Emerson, R.N. With strong conviction, the authors present compelling reasons for establishing a solid parental presence in the life of our children. As parents of four, we
found this book to provide direct and practical advice. Readers will walk away feeling more competent, capable, and definitely well supported in their role as parents. – Dominick Scotto, STM (Sacred Theology), MSW, high school teacher; and Pandora Scotto, MSW, LCSW This concise treatise on the highly emotional, chaotic and downright frightening teenage years defines and enumerates the responsibilities and actions of both parents and teenagers; it is easily read and eminently useful. – John Blackard, D.D.S. This book gives parents a no-holds-barred approach to keeping a step ahead of their teen, and by that I mean keeping them safe, establishing boundaries, and enforcing rules until they develop the proper skills necessary for independence. – Uwe W. Geertz, Ph.D., Professor of Psychology

**JOYFUL TODDLERS AND PRESCHOOLERS**-Faith Collins

2017-08-28 Imagine a life where your toddler or preschooler is happy to do what you ask, and is able to move on, easily, when disappointed. • Imagine getting all of your housework done while your child plays, or happily helps alongside you. • Imagine truly enjoying your time with your child, and creating a life that feels fulfilling for both of you. “These things are possible for parents and children,” asserts author Faith Collins, even with a child who is extra sensitive, demanding, needy, belligerent, or all at the same time. Collins is a preschooler teacher, parent coach and mother, who has witnessed such transformations repeatedly over many years. Her book is a treasury that provides readers with powerful, practical and positive tools to achieve
harmony and joy in their own families. Her blog and popular online classes are available at (http://joyfultoddlers.com).

The unique contribution of this book is its focus on creating a mutually responsive relationship—meaning that both people respond quickly and positively to each other, even when they cannot do what the other person wants. In a warm and easygoing style, the author guides parents and caregivers in establishing and maintaining such mutually responsive relationships with their young ones, creating the basis for discipline, education, socialization and a happier life together. Helping our children to develop these skills becomes a game-changer in all parent-child dynamics. Rare and precious! Faith’s book will very likely leave you feeling, “Yes, I can do this.” —Kim John Payne, author: Simplicity Parenting. A BOOK FOR PARENTS, GRANDPARENTS, EDUCATORS, CAREGIVERS, AND ALL INVESTED IN THE LOVE AND GUIDANCE OF CHILDREN. A MUST FOR PUBLIC, SCHOOL AND UNIVERSITY LIBRARIES.

Young Enough To Change The World-Michael R. Connolly 2015-05-11 Many young people today yearn to make a positive difference in the world—and not just when they’re grown up. Presented with an opportunity and support, they have the ability to do that. Alexander the Great, Joan of Arc, Mary Shelley, (author of Frankenstein) and Louis Braille (who created the Braille system), all made a major contribution to society before they were out of their teens. Although young people are idealistic, they have a sincere desire to help those less fortunate than they are in the world. However, the disheartening message that society
sends them is, “Not yet; you’re too young to do anything important right now.” The 15 stories of young people from around the world described in Young Enough to Change the World are proof that this message is wrong. Each of these kids and teenagers has made a positive difference in the lives of others. Moreover, most of the projects are still going strong. As you will see, many of the heroes and heroines in this book began with a dream that grew and gained momentum and support in spite of a small beginning. It is remarkable what inspired youngsters and adolescents are capable of accomplishing. The key to their success has been their heartfelt passion and determination. There are genuine heroes of substance in every society often flying under the radar of media exposure, and not a few of them, as the stories in this book demonstrate, are young people whose commitment to helping others is awe inspiring. Fortunately, that commitment bodes well for the future of humanity. The young people whose philanthropic work is recorded here certainly possess the qualities of heroes—empathy, self-sacrifice, service, persistence, perseverance and commitment. These young heroes are not content to battle singlehandedly the misfortune and sorrow they see around them. They want an army of courageous young people, as determined as they are, to join them in the work of eliminating human suffering and hardship. They want many others, the young as well as the old, to work with them to make the effort required to bring about a healthier, more peaceful, more equitable world for all of us. Are you ready to join them?
Free Range Learning-Laura Weldon 2012-07-23 With more kids at home now . . . here is a book for parents, family members and friends who want to maximize this time for a deeper learning experience for their children and themselves. Free Range Learning will encourage and excite those who want their children to reap important benefits from this period of “sheltering in place,” learning at home. This is a book for anyone simply wanting some fresh ideas at this time, or those who wonder if a commitment to ongoing homeschooling might actually result in longer term benefits! The material in this book is backed by scientific and educational studies, along with the testimonies of scores of parents and kids from around the world. The work here is applicable for young people from pre-school through high school. Studies indicate that adults who were homeschooled are: * More likely to vote, volunteer and be involved in their communities than graduates of conventional schools. * Read more books than average. * More likely to have taken college level courses than the population as a whole. * Tend to be independent and self-reliant. Children are naturally “free range” learners. They build knowledge and skills naturally, within the full spectrum of their daily lives, while observing, exploring and pursuing their interests. This book guides any parent or educator in assisting that process.

The Best Love of the Child-Timothy P. Jackson 2011-04-29 Much has been written about the rights owed to children: the right to live, the right to be nurtured and cared for, the right to an ample measure of health and happiness and, especially, the right to be loved. Here, twenty scholars from...
across sociological, psychological, historical, philosophical, theological, and legal disciplines argue that the right of children to be loved can best be fulfilled by teaching them how to love others. The Best Love of the Child explores and celebrates many aspects of family, culture, religion, and society and fosters a more nuanced understanding of that love which is truly at the heart of a child's best interest: love that flows freely not only to children but also from children.

**Devotions for Sacred Parenting**-Gary L. Thomas 2009-12-15 Raising children shapes the parent every bit as much as parents shape their children. Raising children is a sacred calling—and not for the faint of heart. In Devotions for Sacred Parenting, the author of Sacred Parenting continues the conversation and contemplates the soul-transforming journey of being a parent. With all new material, fifty-two devotions explore the spiritual dynamics of parenting. These life-related devotions are creative, fresh, and encouraging, inspiring mothers and fathers to look at parenting from a different perspective—as a holy and high calling from God, and as an opportunity to grow spiritually as you strive to raise godly children. Devotions for Sacred Parenting helps you understand how God is parenting you as you parent your children.

**Beyond Bath Time**-Erin Davis 2012-03-21 Where are you in the motherhood journey? Are you a new mom struggling to redefine the boundaries of your life among a sea of diapers, feedings, and sleepless nights? Have you been a
mom so long that you’ve lost yourself along the way? Are you trying to decide if you want to have children? Erin Davis was a young Christian wife who had made the decision to not have children. She had multiple degrees, a great husband, a promising career—she had it all, according to cultural standards. But most days she felt anything but fulfilled. In Beyond Bath Time Erin shares her journey to in responding to the call of motherhood. Women will be challenged, convicted, and wonderfully encouraged by Erin's honest and provocative look at motherhood. She unfolds the purpose and privileges of motherhood, revealing how it can be a powerful force for God’s kingdom, helping you: Discover God’s heart on the issue of motherhood See past the endless list of mothering responsibilities to a bigger, more eternal picture Fight through the chaos to connect with your kids and pass on the faith Reclaim motherhood as a high and holy calling Beyond Bath Time is A True Woman book. The goal of the True Woman publishing line is to encourage women to: Discover, embrace, and delight in God's divine design and mission for their lives Reflect the beauty and heart of Jesus Christ to their world Intentionally pass the baton of Truth on to the next generation Pray earnestly for an outpouring of God's Spirit in their families, churches, nation and world

The Publishers Weekly- 2003

Sacred Parenting-Gary L. Thomas 2017-08-29 Parenting is a school for spiritual formation, says author Gary Thomas, Parenting A Sacred Task 10 Basics Of Conscious Childraising
and our children are our teachers. The journey of caring for, rearing, training, and loving our children profoundly alters us forever...even when the journey is sometimes a rough one. Sacred Parenting is unlike any other parenting book on the market. This is not a “how-to” book that teaches readers the ways to discipline their kids or help them achieve their full potential. Instead of a discussion about how parents change their children, Sacred Parenting turns the tables and demonstrates how God uses children to change their parents. Stepping beyond the overly-tilled soil of method books, parents can learn a whole new side of parenting. They’ll be encouraged by stories that tell how other parents handled the challenges and difficulties of being a parent—and how their children transformed their relationship with God. The lessons the author writes about are timeless. But in this edition, Thomas adds in some additional insights and stories that he’s learned and lived over the past fifteen years of his own parenting. Gary has found that the lessons have remained much the same but there are new applications for the readers in this generation who are just now coming to his book.

dictionary casts light on the culture, technology, history, and politics of the periods of the Hebrew Bible and the New Testament. Written and edited by a world-class historian and a highly respected biblical scholar, with contributions by many others, this unique reference work explains details of domestic life, technology, culture, laws, and religious practices, with extensive bibliographic material for further exploration. There are 115 articles ranging from 5-20 pages long. Scholars, pastors, and students (and their teachers) will find this to be a useful resource for biblical study, exegesis, and sermon preparation.

**General Harrison in Congress. [A pamphlet advocating his election to the Presidency.]-William Henry HARRISON (President of the United States of America.) 1840**

**Doing the Right Thing**-Scott Rae 2013-11-26 According to author Scott B. Rae in Doing the Right Thing, our culture is in an ethical mess because we’ve neglected moral training and education. This book proposes that there is such a thing as moral truth, that it can be known, and that it can be put into practice. Looking specifically at the areas of medicine, the marketplace, public life, education, and the family, Rae shows how foundational ethical principles can guide you in making moral day-to-day decisions. Informed by Scripture and calling for a renewed understanding of the importance of the Christian faith in moral training, Doing the Right Thing issues a call for cultivated virtue that can bring about
both better lives and a better society. You will find yourself examining the ways in which ethical and character issues relate to your life. As a result, you will be better equipped to promote virtue in your own spheres of influence and the culture at large.

**Lutheran Woman's Work - 1920**

**Desegregating Dixie**-Mark Newman 2018-09-17 Mark Newman draws on a vast range of archives and many interviews to uncover for the first time the complex response of African American and white Catholics across the South to desegregation. In the late nineteenth and first half of the twentieth century, the southern Catholic Church contributed to segregation by confining African Americans to the back of white churches and to black-only schools and churches. However, in the twentieth century, papal adoption and dissemination of the doctrine of the Mystical Body of Christ, pressure from some black and white Catholics, and secular change brought by the civil rights movement increasingly led the Church to address racial discrimination both inside and outside its walls. Far from monolithic, white Catholics in the South split between a moderate segregationist majority and minorities of hard-line segregationists and progressive racial egalitarians. While some bishops felt no discomfort with segregation, prelates appointed from the late 1940s onward tended to be more supportive of religious and secular change. Some bishops in the peripheral South began desegregation before or in
anticipation of secular change while elsewhere, especially in the Deep South, they often tied changes in the Catholic churches to secular desegregation. African American Catholics were diverse and more active in the civil rights movement than has often been assumed. While some black Catholics challenged racism in the Church, many were conflicted about the manner of Catholic desegregation generally imposed by closing valued black institutions. Tracing its impact through the early 1990s, Newman reveals how desegregation shook congregations but seldom brought about genuine integration.

The United States Magazine and Democratic Review-1849

Classic Biblical Baby Names-Judith Tropea 2006
Organized alphabetically by gender, a collection of some five hundred boys' and girls' names from the scripture of the Old and New Testaments furnishes information on the meaning and spiritual connotation of each name, its language and cultural origins, a citation of where the name appears in the Bible, famous namesakes, and related nicknames and alternate names. Original. 30,000 first printing.

All the Forgivenesses-Elizabeth Hardinger 2019 Set in Appalachia and the Midwest at the turn of the 20th century, this exquisite debut novel paints an intimately rendered
portrait of one resilient farm family's challenges and hard-won triumphs--helmed by an unforgettable heroine.

**Pilgrim Pathways**-Barrington Raymond White 1999 The essays in Pilgrim Pathways: Essays in Baptist History in Honour of B.R. White explores the lasting influence of one of the most prominent scholars of the history of Christianity. Topics examined in this book include: Baptist identity in light of historic patterns and transatlantic treatments, the theology of children, the rise of Baptist hymnody as an indicator of Baptist piety, and the application of Baptist principles in context. Readers will find this an indispensible book for understanding both the ideas of White and the early history of Protestantism in Europe.

**The Sex Offender: Offender evaluation and program strategies**-Barbara K. Schwartz 1995

**A Dictionary of European Baptist Life and Thought**-John H. Y. Briggs 2009-11-01 The aim of this volume is twofold. First, it is to provide European Baptists with a useful reference work concerning their own heritage, their common fund of essential belief and understanding, but also the diversity of practice amongst them. Secondly, it aims to identify these issues for the benefit of those who want to know what Baptists believe and why they hold their distinctive beliefs, what, in fact, makes Baptists tick. Themes running through this collection of articles include
ecclesiology, worship and liturgy, diaconal services, all aspects of theology, mission, ethics, history and heritage, Baptist organizations, and ecumenical relations. There are also articles on Baptist witness, past and present, in every nation represented within the European Baptist Federation.

**The Story of You - Bio Computer** - Kura Venkateswara Reddy 2021-03-26 Our intent is to bring a quest in knowing “YOU”, by yourself in the form of the book The Story of You - Bio Computer. It is the first step in putting tiny wisdom through a lens of Spirituality, Science, History and Digital technologies. This book is for everyone, transcending geographies, organizations, governments, religions, languages, caste, countries, rich, poor, and so on. If you are not spending enough time to understand scientifically Who “YOU” are then you are wasting your life, irrespective of whatever the position, power, role, status and wealth etc. you hold in the external world. You are an individual Bio Computer in a complex web -controlled by Artificial Intelligence and 10 programs through seven bodies of YOU. It is possible to change some of these programs, and other global programs that need to be de-clutched and configured to the right IP address. One of the purposes of this book is to make you realize intellectually that, as an individual edge device or Bio Computer YOU are helpless, and YOU must realize that there is “NO YOU “. That is when you surrender with true wisdom. This is a magnificent creation and evolved over billions of years. If you are not experiencing this creation and higher levels of Consciousness, you are just dying like a worm. Make use of the remaining few years of
your life. Firstly, try to become awakened and live the life of an enlightened being while you are on this planet. Human beings are designed to be enlightened. Secondly this could be the last life on this planet for you. You are destined to move to the lower vibration or lower Consciousness realms after your death and you may have to park for a very long period till your heart is flowered. Hence, it is even more important and be prepared to go to Moksha or higher realms, when you leave this planet.

Niles' Weekly Register- 1817

The Parents' and Educators' Manual of Teenage Rebirth: How to Prepare Teens for Victorious Transitions Into Adolescence and Beyond-Bruce G. Bentley 2012-10-01 Adolescence marks a special and unique stage in human growth and development, but it can be an extremely challenging time for both parents and teenagers. In The Parents' and Educators' Manual of Teenage "Rebirth," author Bruce G. Bentley provides an understanding of how teenagers think, feel, and experience themselves in relation to others and the world with the goal of assisting them in their battle to master adolescence. To help those caring for teens gain a greater understanding of child and adolescent psychology, Bentley applies principles of those disciplines, along with psychologically pertinent literature, to real-life stories of puberty, bullying, aggressive behavior, abuse, and suicide. This manual provides parents and educators with effective tools to understand, inform,
challenge, and guide teens through adolescence so they can develop an independent and strengthened adulthood. It also offers teens a descriptive road map of what they can expect and what they can do to help ease anxieties and fears as they encounter life's uncertainties; it helps them to be better prepared for the changes or "rebirths" into new realms of relationships and responsibilities. The Parents' and Educators' Manual of Teenage "Rebirth" aims to ease the journey through the dark, mysterious, and wonderful world of adolescence— with its joys and struggles—and beyond.

**Mirror of Eternity**-Hawley Wolfe 2020-06-18 What happens when a long-dead uncle gets permission to visit his family on earth as an instructing angel? The Portman family is about to find out! Overwhelmed by the death of a beloved grandfather, the Portmans escape to the wilderness to grieve on an extended camping trip. There, they come face-to-face with their own "inner wilderness" of anger, pain, and despair. Their angel, Michael, helps them see what is at stake in their spiritual crisis. The father, Steve, is forced to make painful confessions to his family, connected to his brother Michael's mysterious death in a boating accident at Cape Desperate some twenty years earlier. His wife Abby is able to pour out her anxieties about motherhood and marriage. Son Jake needs dating advice, and daughter Becca is a victim of cyberbullying and needs lessons in forgiveness. The angel patiently counsels them all, answering their questions about the meaning of suffering, the realities of heaven and hell, the existence of Satan, the hidden secrets of Armageddon, the authority of the Bible,
the role of non-Christian religions, the seeker's pathway to inner peace, and how to discover God's will for their lives. Then, a terrible accident brings their journey to an abrupt climax!

1891-1892-Joseph Krauskopf 1891

Learn Torah With...-Joel Lurie Grishaver 1999-02 Learn Torah With...Volume 2 Torah Annual contains new essays on each Torah portion with a running dialogue set beneath the text. Includes some study of Rashi and his commentary on the Torah portions.

Principles and Practices of Management-Partho S. Sengupta The principal difference that this book would make to any literate young mind above 17 is its non-textbook flavour. Once the young reader discovers the uniqueness of the book, an exhilarating journey would begin. The book begins by highlighting the challenges that an individual has to face to be successful in life. The emphasis then shifts to the bottlenecks that need to be overcome for a better change. The underlying theme that is evident throughout the book is that although enervating, the challenges we face are unavoidable as smooth seas skillful sailors do not make. The book successfully converts what the students have to study into a flexible curriculum. The chapters reverberate with lateral thinking infused with ideas on the skills and values that they will have to gather in
order to shape the 21st century. This book is innovative and works as a platform between intersecting ideas, and helps the youth to toil towards a better change syndrome. The book exudes a set of distinctive styles that effectively connects with the potential energy of young Indians. The greatest managers of any society are parents and teachers. The book’s approach connects with all mobile human talent to understand the emerging trends and commit ourselves to a better and positively more beautiful place to live in with grace and dignity.

**Oral Presentations in English**- Marianne Sanders 2003-03 Engelstalige gids voor Nederlandse academici die presentaties in het Engels moeten houden.

**The Jewish Spectator**- 1992

**Bible Word Search Puzzle**- Amos Bright 2019-08-02 Do you want to have fun-filled and interactive bible study with your child? Do you desire to spend more time with your child? Are you interested in their spiritual and mental development? If your answer is YES! Then, draw closer to your child and get ready for a great adventure into a new level of relationship and love for God's word and one another. The word puzzles are aimed at stirring-up a child's interest in the word of God. Children between ages of 6 and 10 are encouraged and equipped to familiarize themselves with the facts of the bible in a special way. Undeniably,
parenting is a noble, sacred, and sometimes challenging task. Fortunately, God provided various forms of help and support to every willing parent or guardian. Undoubtedly, there are several books out there to help you raise your child the best way possible. However, the greatest parenting tool is the bible. When you expose your children to the word of God; you can always expect great results. The good thing is, this book was carefully prepared and beautifully presented based on biblical truths.

**Calmer, Easier, Happier Parenting**-Noel Janis-Norton

2013-04-30 THE INTERNATIONAL BESTSELLING GUIDE TO THE 5 MUST-KNOW PARENTING STRATEGIES

Tired of nagging, pleading, negotiating, or yelling just to get your kids to do the simple things you ask? You don’t need to be a Tiger Mom or a Helicopter Parent. There is a better way. Calmer, Easier, Happier Parenting brings the joy back into family life and helps parents to raise confident, responsible adults. Based on her forty-plus years of experience, behavioral specialist Noël Janis-Norton outlines a clear, step-by-step plan that will help any parent raise a child to be cooperative and considerate, confident and self-reliant. Transform your family life with these five strategies: Descriptive Praise, Preparing for Success, Reflective Listening, Never Ask Twice, and Rewards and Consequences. You’ll begin to see results almost immediately: • Kids start cooperating the first time you ask • Mornings, bedtimes, mealtimes and homework all become easier • Even very resistant kids start saying” yes” instead of “no” Full of examples and stories from real parents, this
book offers the complete toolkit for achieving peaceful, productive parenting. Parents who have read How to Talk So Kids Will Listen & Listen So Kids Will Talk or Positive Parenting will appreciate Noël’s battle-tested methods and easy-to-follow strategies.

**Littell's Living Age**-Eliakim Littell 1856

**American State Papers**-United States. Congress 1832
The Constitutional Parent - Jeffrey Shulman 2014-07-01

In this bold and timely work, law professor Jeffrey Shulman argues that the United States Constitution does not protect a fundamental right to parent. Based on a rigorous reconsideration of the historical record, Shulman challenges the notion, held by academics and the general public alike, that parental rights have a long-standing legal pedigree. What is deeply rooted in our legal tradition and social conscience, Shulman demonstrates, is the idea that the state entrusts parents with custody of the child, and it does so only as long as parents meet their fiduciary duty to serve the developmental needs of the child. Shulman’s illuminating account of American legal history is of more than academic interest. If once again we treat parenting as a delegated responsibility—as a sacred trust, not a sacred right—we will not all reach the same legal prescriptions, but we might be more willing to consider how time-honored principles of family law can effectively accommodate the evolving interests of parent, child, and state.

Family Matter - Dr. Gilbert H. Edwards Sr. 2021-05-27

Through the years of dealing with family love and a plethora of personalities, I have noticed that in today’s society there seems to be disarray, some perplexity, as well as puzzlement, and uncertainty of God’s family order and how it works. Man should know the role, order, guidelines and relationships within the family household. God started the first family and created the ideal family household - husband, wife, son, and daughter. The love of every member of the family and the role each member plays within the
family is outlined in this book.

**Hold On to Your Kids**-Gordon Neufeld 2011-11-30 A psychologist with a reputation for penetrating to the heart of complex parenting issues joins forces with a physician and bestselling author to tackle one of the most disturbing and misunderstood trends of our time -- peers replacing parents in the lives of our children. Dr. Neufeld has dubbed this phenomenon peer orientation, which refers to the tendency of children and youth to look to their peers for direction: for a sense of right and wrong, for values, identity and codes of behaviour. But peer orientation undermines family cohesion, poisons the school atmosphere, and fosters an aggressively hostile and sexualized youth culture. It provides a powerful explanation for schoolyard bullying and youth violence; its effects are painfully evident in the context of teenage gangs and criminal activity, in tragedies such as in Littleton, Colorado; Tabor, Alberta and Victoria, B.C. It is an escalating trend that has never been adequately described or contested until Hold On to Your Kids. Once understood, it becomes self-evident -- as do the solutions. Hold On to Your Kids will restore parenting to its natural intuitive basis and the parent-child relationship to its rightful preeminence. The concepts, principles and practical advice contained in Hold On to Your Kids will empower parents to satisfy their children’s inborn need to find direction by turning towards a source of authority, contact and warmth. Something has changed. One can sense it, one can feel it, just not find the words for it. Children are not quite the same as we remember being. They seem less likely
to take their cues from adults, less inclined to please those in charge, less afraid of getting into trouble. Parenting, too, seems to have changed. Our parents seemed more confident, more certain of themselves and had more impact on us, for better or for worse. For many, parenting does not feel natural. Adults through the ages have complained about children being less respectful of their elders and more difficult to manage than preceding generations, but could it be that this time it is for real? -- from Hold On to Your Kids
