## Star Wars - Wikipedia

Star Wars is an American epic space opera multimedia franchise created by George Lucas, which began with the eponymous 1977 film and quickly became a worldwide pop-culture phenomenon. The franchise has been expanded into various films and other media, including television series, video games, novels, comic books, theme park attractions, and themed areas, comprising an all-encompassing fictional

C-3PO (Anthony Daniels) and R2-D2 (Kenny Baker) are briefly held in a Jawa sandcrawler in Star Wars Episode IV: A New Hope. Shots of the sandcrawler at a distance were actually a matte painting; only two of its treads and a 27-meter-long piece of its lower structure were actually built. For shots involving the vehicle's movement, ILM used a 125-centimeter radio-controlled model.
