Making Societies The Historical Construction Of Our World William G Roy

Making Societies: William G. Roy 2001-01-22 This book shows how the social constructions of time, space, race, gender and class intersect with each other to produce particular social phenomena and has remained an important reference for students and researchers since it was first published in 1973.

LawSocietyJohn Suits 2001 This volume provides a conceptual framework for thinking about the full range of topics within the sociology of law disciplines.

How To Do Politics With Art Volcan Buxton 2016-12-16 A major issue in the relation of art to the rest of society in the question of how art relates to political issues. From the perspective of most art scholars, it is a question of aesthetics—whether politics necessitate political definitions and a priority of the arts. From this perspective, art has been thought of as a heroic medium, where the avant-garde works are considered as a national pastime.

The Underdevelopment of Capitalism Ulrich Beck 1985-07-07 The result of a decade-long research project by the author, the expansion of the 'post-Fordist' economy in the decades following the Second World War, and the economic and political identity of the sixties and seventies.

Societies under Construction Daniel J. Sage 2018-05-24 This edited collection explores building construction as an inspiring, yet often overlooked, place of social knowledge. It includes: a history of construction, a look at the social consequences of construction work, and an analysis of the role of architecture in society.
