iF Product Design Award - Wikipedia
History. The iF Industrie Forum Design e.V. launched in 1953 with a "Special Show for Well-Designed Industrial Goods" as part of the Hanover Fair industrial trade exhibition, originally to highlight German Design. They now strive to serve as a mediating arm between design and industry internationally, believing that this capacity allows them to make contributions to design ...

Child Development and Early Learning - Transforming the
The domains of child development and early learning are discussed in different terms and categorized in different ways in the various fields and disciplines that are involved in research, practice, and policy related to children from birth through age 8. To organize the discussion in this report, the committee elected to use the approach and overarching terms depicted in Figure 4-1.
