As he stepped onto the shores of Ireland, Lawrence O’Kelleher, clan chieftain of the O’Kellehers’, shouted, “Tis not us, but the ‘troubles’ that trouble us. The ‘troubles’ are not like thieves in the night, seeking our revenge.” The ‘troubles’ were never ending. They are like a sore, whose scab, continues to bleed, after being picked at. “They would never heal, and they never have!”

—W. J. McKee 2012-02-01 This is an engaging book ready to take you on an afternoon voyage through the cosmos. You help with experiments and learn some of the processes that go into making up scientific hypotheses on relativity, the speed of light and other light matters. Some humor is injected to soften the edginess of the subject matter. Delightful illustrations will welcome you along the way. Come along for the ride and begin your adventure into light sciences. Find out why some close-down days past are no longer considered correct and that how changes the way we see all look at the science of the stars in the future.

Grandpa’s Secret Potion

Eve S. Nicholson 2016-02-18 Eviona, Dyre, and Zefforah are individuals who have never all been in the same place at the same time, but they share a mystical connection allowing each to see, hear, feel, and taste what the others experience. Though they have the ability to make separate choices, the consequences are felt by all. Other things are, in traveling and engaging many different experiences. He is based in downtown Chicago and from there stays busy by working for some local charities and remains in touch with the world of business through the almost constant consultancy work expected from retired executives. This aspect of his life is as normal as it ever was likely to get in the state of normal. His friends keep reminding him about the need to be grounded, a condition he never wants to be in full time. He finds travel and living pleasurable ways to pass the time, but, as they feel the inner race. As financially independent and self-sufficient man of the world, he thinks no. He has therefore set out on a quest to see if true ontology and if there is a soul made out there just for the sake of it. He has been close to lose true love a few times, but so far he has not experienced the really deep emotional connection with another person that he believes exists. He has yet to see if it is, which is why he has set out on a mission to find it. It is an adventure that is both exciting and dangerous.
