British author Bernardine Evaristo won the Booker Prize for her novel "Girl, Woman, Other." She's the first Black woman to do so in the award's 53-year history. But before that, she had a long career.

NASA's Perseverance rover is clogged up with pebbles.

"Pebbles first became lodged in Perseverance on December 29, when it was extracting a sample from a Martian rock nicknamed Issole."

NASA's Perseverance rover will dump its latest Mars sample to unclog pebbles from its drill.

"The Perseverance rover, currently exploring a region on Mars where the ancient environment is believed to have been favorable for microbial life, will look for signs of past life in a region of Mars where the ancient environment is believed to have been favorable for microbial life."
