The Lay Of The Land Destiny

The Lay of the Land - Dallas Lore Sharp 1908

The Lay of the Land - Richard Ford 2011-01-14 With The Sportswriter, in 1985, Richard Ford began a cycle of novels that ten years later - after Independence Day won both the Pulitzer Prize and the PEN/Faulkner Award - was hailed by The Times of London as "an extraordinary epic [that] is nothing less than the story of the twentieth century itself." Frank Bascombe's story resumes, in the fall of 2000, with the presidential election still hanging in the balance and Thanksgiving looming before him with all the perils of a post-nuclear family get-together. He's now plying his trade as a realtor on the Jersey shore and contending with health, marital and familial issues that have his full attention: "all the ways that life seems like life at age fifty-five strewn around me like poppies." Richard Ford's first novel in over a decade: the funniest, most engaging (and explosive) book he's written, and a major literary event.

The Lay of the Land - Richard Ford 2006-10-24 NATIONAL BESTSELLER National Book Critics Circle Award Finalist A New York Times Best Book of the Year A sportswriter and a real estate agent, husband and father - Frank Bascombe has been many things to many people. His uncertain youth behind him, we follow him through three days during the autumn of 2000, when his trade as a realtor on the Jersey Shore is thriving. But as a presidential election hangs in the balance, and a postnuclear-family Thanksgiving looms before him, Frank discovers that what he terms "the Permanent Period" is fraught with unforeseen perils. An astonishing meditation on America today and filled with brilliant insights, The Lay of the Land is a magnificent achievement from one of the most celebrated chroniclers of our time. Also available in the Bascombe Trilogy: The Sportswriter, and Independence Day

The Lay of the Land - Dean Crawford 1987

The Lay of the Land - Annette Kolodny 2017-11-01 An original and highly unusual psycholinguistic study of American literature and culture from 1584 to 1860, this volume focuses on the metaphor of 'land-as-woman.' It is the first systematic documentation of the recurrent responses to the American continent as a feminine entity (as Mother, as Virgin, as Temptress, as the Ravished), and it is also the first systematic inquiry into the metaphor's implications for the current ecological crisis.

The Lay of LaLa Land - A. Y. Miles "I am hoping for a sequel. The Lay of LaLa Land was undoubtedly an extraordinary page-turner." - San Francisco Book Review After being caught peeping in on his nubile young step-mom with his makeshift peeping contraption, 12 year-old Lenny Dushoff's abusive, gluttonous father sends him off to a mental hospital for a 72 hour psychiatric evaluation. In a year's time from the peeping incident, Lenny will suffer a great loss, one that will riddle him with guilt throughout his adolescence. Seven years later, Lenny, now quiet, insecure and sexually inexperienced, escaped the trauma of his upbringing to the campus of a major university, where as a sophomore psychology major he finally finds the love that he's dreamed of since boyhood. But as boy meets girl, Lenny discovers Jane's 'dirty' secret, one that could destroy her entire life. In a dramatic, darkly comic, but often absurdist coming of age tale about college sexual mayhem, Lenny uncovers the childhood roots of Jane's human condition, and in the process, comes to a deeper understanding of his own. "A.Y. Miles writes a brutally honest portrait of life, love, and reality in his book, The Lay of LaLa Land... This book was one crazy ride from beginning to startling end." - Seattle Book Review

The Land Before Her - Annette Kolodny 2014-07-01 To discover how women constructed their own mythology of the West, Kolodny examines the evidence of three generations of women's writing about the frontier. She finds that, although the American frontiersman imagined the wilderness as virgin land, an unspoiled Eve to be taken, the pioneer woman at his side dreamed more modestly of a garden to be cultivated. Both intellectual and cultural history, this volume continues Kolodny's study of frontier mythology begun in The Lay of the Land.

The Lay of the Land - Michael J. Pallamary 2003 The Lay of the Land presents an informative history about the development of San Diego. The story begins with the liberation of Texas and continues with the subsequent war with Mexico. Mr. Pallamary's book follows General Stephen Kearny and his corps of surveyors as they mapped and marched their way westward to California. The controversial actions of The Great Pathfinder, John Charles Frémont are also covered, as are early encounters between military Surveyors and Native Americans. The book also covers the challenges involved with locating the International Boundary Line between the United States and Mexico as specified by the Treaty of Guadalupe Hidalgo. Mr. Pallamary also provides informative insight into the creation of the government townships and section lines that govern the location of land throughout Southern California. Additional subjects contained in this informative manuscript include the impact of the land squatter movement on San Diego, the influence of the contentious No-Fence Law upon land settlement, the establishment of the San Bernardino Baseline and Meridian, and determination of the county boundary lines. The Lay of the Land also examines the confusing land grant process and the obstacles involved with validating these claims before the United States Land Commission. Another important subject covered by Mr. Pallamary is the expansion of the transcontinental railroad and its impact upon San Diego. A number of the county's most important engineering projects are also explored, including the relocation of the San Diego River, the transformation of False Bay into Mission Bay and the development of San Diego Harbor. Considerable
coverage is provided on the subjects of land fraud, water boundaries, corrupt government Surveyors, and the Great Land Boom of 1887. Mr. Pallamary also documents the influence of many of the county's more influential Land Surveyors including George Derby, Andrew Gray, Colonel John Coffee Hays, Cave Couts, Charles Poole, James Pascoe, Charles J. Fox, Myron G. Wheeler, Edwin Capps, Andrew Ervast, and Porter Perrin Wheaton, the Great Wheelbarrow Surveyor. Mr. Pallamary's insightful research into the creation of early subdivisions and the important lawsuits that were filed in connection with these nascent efforts provide a fresh insight into the mechanics of land subdivision and property surveying. The Lay of the Land is a must for Professional Land Surveyors, Civil Engineers, Title Officers, Land Planners, Land Use Attorneys and anyone interested in the development of San Diego County.

How to Read the American West-William Wyckoff 2014-06-05 From deserts to ghost towns, from national forests to California bungalows, many of the features of the western American landscape are well known to residents and travelers alike. But in How to Read the American West, William Wyckoff introduces readers anew to these familiar landscapes. A geographer and an accomplished photographer, Wyckoff offers a fresh perspective on the natural and human history of the American West and encourages readers to discover that history has shaped the places where people live, work, and visit. This innovative field guide includes stories, photographs, maps, and diagrams on a hundred landscape features across the American West. Features are grouped according to type, such as natural landscapes, farms and ranches, places of special cultural identity, and cities and suburbs. Unlike the geographic organization of a traditional guidebook, Wyckoff’s field guide draws attention to the connections and the differences between and among places. Emphasizing features that recur from one part of the region to another, the guide takes readers on an exploration of the eleven western states with trips into their natural and cultural character. How to Read the American West is an ideal traveling companion on the main roads and byways in the West, providing unexpected insights into the landscapes you see out your car window. It is also a wonderful source for armchair travelers and people who live in the West who want to learn more about the modern West, how it came to be, and how it may change in the years to come. Showcasing the everyday alongside the exceptional, Wyckoff demonstrates how asking new questions about the landscapes of the West can let us see our surroundings more clearly, helping us make informed and thoughtful decisions about their stewardship in the twenty-first century. And the Land Lay Still-James Robertson 2011 'Toweringly ambitious, virtually flawlessly realized, a masterpiece and, without doubt, my book of the year' John Harding, Daily Mail And the Land Lay Still is nothing less than the story of a nation. James Robertson’s breathtaking novel is a portrait of modern Scotland as seen through the eyes of natives and immigrants, journalists and politicians, drop-outs and spooks, all trying to make their way through a country in the throes of great and rapid change. It is a moving, sweeping story of family, friendship, struggle and hope - epic in every sense. 'Powerful and moving. A brilliant and multifaceted saga of Scottish life in the second half of the twentieth century' Sunday Times 'Bold, discursive and deep, Robertson’s sweeping history of life and politics in twentieth-century Scotland should not be ignored' Ian Rankin, Observer, Books of the Year 'Gripping, vivid, beautifully realized' The Times 'Brilliant and thoughtful. Eminently readable, subtle and profound' Independent on Sunday 'Engrossing' Daily Telegraph

The World Is Always Coming to an End-Carlo Rotella 2019 "A close look at an urban neighborhood in Chicago, South Shore, and the author’s own relationship to that neighborhood from living there as a child and studying it as an adult."--Provied by publisher

The Routledge Handbook of Social Work and Addictive Behaviors-Audrey L. Begun 2020-04-16 The Routledge Handbook of Social Work and Addictive Behaviors is a definitive resource about addictive behaviors, emphasizing substance misuse, gambling, and problematic technology use. Contents address their prevalence in various communities and populations globally, theories related to their origins and etiology, and what is currently known about effective intervention strategies, education, and research. Social work’s biopsychosocial, lifespan, and person-in-environment perspectives underpin the book contents which are applicable to a wide range of professional and social science disciplines. Contents are divided into five sections: The scope and nature of addictive behavior and related problems Addictive behavior across the lifespan and specific populations Interventions to prevent and address addictive behavior and related problems Issues frequently co-occurring with addictive behavior Moving forward This handbook provides students, practitioners, and scholars with a strong focus on cutting-edge high-quality research. With contributions from a global interdisciplinary team of leading scholars, this handbook is relevant to readers from social work, public health, psychology, education, sociology, criminal justice, medicine, nursing, human services, and health professions.

Forests in Revolutionary France-Kieko Matteson 2015-04-16 This book investigates the bitterly contested development of environmental conservation in France from the seventeenth to the nineteenth century, suggesting that conflicts over forests between the state, landowning elites, and the peasantry not only reflected escalating demand for this most vital of natural resources but also shaped the country's revolutionary struggles.

Between You & Me: Confessions of a Comma Queen-Mary Norris 2015-04-06 "Hilarious...This book charmed my socks off." —Patricia O’Conner, New York Times Book Review Mary Norris has spent more than three decades working in The New Yorker’s renowned copy department, helping to maintain its celebrated high standards. In Between You & Me, she brings her vast experience with grammar and usage, her good cheer and irreverence, and her finely sharpened pencils to help the rest of us in a boisterous language book as full of life as it is of practical advice. Named a Best Book of the Year by NPR, Amazon, Wall Street Journal, Publishers Weekly, Kirkus, and Library Journal.

Imperial Leather-Anne Mcclintock 2013-10-01 Imperial Leather chronicles the dangerous liaisons between gender, race and class that shaped British imperialism and its bloody dismantling. Spanning the century between Victorian Britain and the current struggle for
power in South Africa, the book takes up the complex relationships between race and sexuality, fetishism and money, gender and violence, domesticity and the imperial market, and the gendering of nationalism within the zones of imperial and anti-imperial power.

**Moral Victories in the Battle for Congress** - Marty Cohen 2019-07-05 While Christian conservatives had been active in national politics for decades and had achieved a seat at the table by working with the Republican Party, the 1980s and 1990s saw them make significant strides by injecting issues of moral traditionalism into U.S. House races across the country. Christian conservative activists worked diligently to nominate friendly candidates and get them elected. These moral victories transformed the Republican House delegation into one that was much more culturally conservative and created a new Republican majority. In Moral Victories, Marty Cohen seeks to chronicle this significant political phenomenon and place it in both historical and theoretical contexts. This is a story not only of the growing importance of moral issues but also of the way party coalitions change, and how this particular change began with religiously motivated activists determined to ban abortion, thwart gay rights, and restore traditional morality to the country. Beginning in the early 1980s, and steadily building from that point, religious activists backed like-minded candidates. Traditional Republican candidates, more concerned about taxes and small government, resisted the newcomers and were often defeated. As a result, increasing numbers of House Republican nominees were against abortion and gay rights. Voters responded by placing moral issues above their interests in economic policies, which led to the election of ever more socially conservative representatives. As a result, the House Republican caucus evolved into a body that advocated largely for low taxes and small government to one equally invested in moral and social issues, especially abortion and gay rights. The new moralistic Republican candidates were able to win in districts where traditional business Republicans could not, thereby creating the foundation for a durable Republican majority in the House and reshaping the American political landscape.

**Compass Rose** - John Casey 2011 Ostracized at her new school for her illegitimacy, lower-income status, and unfashionable figure, scholarship student Rose finds unexpected strength in her family ties to everyone in her Rhode Island fishing community.

**The Lay of the Land** - Fiona O'Connell 2019

**The Courier of the Ozarks** - Byron Dunn 2021-03-16

**Ten Years of The Lay of the Land Newsletter 2003-2013** - Center for Land Use Interpretation 2013

**The Lay of the Land** - Joe Greer 2022 A spiritually uplifting and beautiful designed visual memoir by the hugely popular photographer on Instagram, Joe Greer, combining thoughtful essays and more than 100 gorgeous landscape photos—half fan favorites, and half never-before-seen. "Each photograph really does come down to a split second when you decide to freeze that moment in time. . . . You ask yourself what the story is that you want to tell, and let the rest unfold: Click."—from the introduction Joe Greer never imagined he would become a photographer. Raised in Florida by an aunt and uncle after his mother's death when he was four, Joe had a seemingly normal childhood, spending summers at church camp and dreaming of going to college. But nearly fifteen years later, the ground shifted beneath his feet when he discovered a family secret that would impact the rest of his life. Trying to make sense of that revelation and what it meant for his future, Greer set his sights on becoming a pastor at Spokane's Moody Bible Institute. There, he discovered Instagram—and a passion for photography. His pictures of the lush, wild beauty of the Pacific Northwest landscape attracted a large following that has grown to more than three quarters of a millions fans and continues to expand. The Lay of the Land is Joe's story in words and pictures. In this stunning compendium, he reflects on the trauma of his early life and what photography has taught him: how to find his light; how to slow down; how to appreciate the world around him, a reverence for the nature world that that both nurtures and amplifies his creativity and faith; how to love—his photography led him to his wife, Madison—and how to heal. For Joe, photography has been a way to find purpose, better understand his faith, and express himself. Though he began with landscapes, meeting his wife sparked a new love of portraiture, and he turned to making photos of street scenes that explored his complicated feelings about family. A love letter to the natural world, to faith, and to finding your calling in the most unexpected places, The Lay of the Land is a window into the beautiful mind and heart of one of the internet's favorite photographers. Moving and inspiring, it is a creative and spiritual journey that offers lessons on life and living. As Greer reminds us all, whatever it is you want, it's up to you to make the moment (and the photograph).

**Independence Day** - Richard Ford 2010-12-22 Frank Bascombe is no longer a sportswriter, yet he's still living in Haddam, New Jersey, where he now sells real estate. He's still divorced, though his ex-wife, to his dismay, has remarried and moved along with their children to Connecticut. But Frank is happy enough in his work and pursuing various civic and entrepreneurial sidelines. He has high hopes for this 4th of July weekend: a search for a house for deeply hapless clients relocating to Vermont; a rendezvous on the Jersey shore with his girlfriend; then up to Connecticut to pick up his larcenous and emotionally troubled teenage son and visit as many sports halls of fame as this 4th of July weekend: a search for a house for deeply hapless clients relocating to Vermont; a rendezvous on the Jersey shore with his girlfriend; then up to Connecticut to pick up his larcenous and emotionally troubled teenage son and visit as many sports halls of fame as this 4th of July weekend: a search for a house for deeply hapless clients relocating to Vermont; a rendezvous on the Jersey shore with his girlfriend; then up to Connecticut to pick up his larcenous and emotionally troubled teenage son and visit as many sports halls of fame as this 4th of July weekend: a search for a house for deeply hapless clients relocating to Vermont; a rendezvous on the Jersey shore with his girlfriend; then up to Connecticut to pick up his larcenous and emotionally troubled teenage son and visit as many sports halls of fame as this 4th of July weekend: a search for a house for deeply hapless clients relocating to Vermont; a rendezvous on the Jersey shore with his girlfriend; then up to Connecticut to pick up his larcenous and emotionally troubled teenage son and visit as many sports halls of fame as this 4th of July weekend: a search for a house for deeply hapless clients relocating to Vermont; a rendezvous on the Jersey shore with his girlfriend; then up to Connecticut to pick up his larcenous and emotionally troubled teenage son and visit as many sports halls of fame as.

**This Sovereign Land** - Daniel Kemmis 2013-03-22 In the eight states of the interior West (Arizona, Colorado, Idaho, Montana, Nevada, New Mexico, Utah, and Wyoming), 260 million acres -- more than 48 percent of the land base -- are owned by the federal government.
and managed by its Washington, D.C.-based agencies. Like many other peoples throughout history who have bristled under the
controlling hand of a remote government, westerners have long nursed a deep resentment toward our nation's capital. Rumbles of
revolution have stirred for decades, bolstered in recent years by increasing evidence of the impossibility of a distant, centralized
government successfully managing the West's widespread and far-flung lands. In This Sovereign Land, Daniel Kemmis offers a radical
new proposal for giving the West control over its land. Unlike those who wish to privatize the public lands and let market forces decide
their fate, Kemmis, a leading western Democrat and committed environmentalist, argues for keeping the public lands public, but for
shifting jurisdiction over them from nation to region. In place of the current centralized management, he offers a regional approach that
takes into account natural topographical and ecological features, and brings together local residents with a vested interest in ensuring
the sustainability of their communities. In effect, Kemmis carries to their logical conclusion the recommendations about how the West
should be governed made by John Wesley Powell more than a century ago. Throughout, Kemmis argues that the West no longer needs to
be protected against itself by a paternalistic system and makes a compelling case that the time has come for the region to claim
sovereignty over its own landscape. This Sovereign Land provides a provocative opening to a much-needed discussion about how
democracy and ecological sustainability can go hand in hand, and will be essential reading for anyone interested in the West and western
issues, as well as for all those concerned with place-based conservation, public lands management, bioregionalism, or related topics.

The Sportswriter - Richard Ford 2012-06-04 Frank Bascombe has a younger girlfriend and a job as a sportswriter. To many men of his
age, thirty-eight, this would be a cause for optimism, yet Frank feels the pull of his inner despair and especially of his recent losses - his
preferred career has ended, his wife has divorced him, and a tragic accident took his elder son. In the course of this Easter weekend,
Frank will lose all the remnants of his familiar life, though he will emerge heroic with spirits soaring. This is a magnificent novel that
propelled Richard Ford into the first rank of American writers.

The Lay of the Land - Dallas Lore Sharp 2020-04-09 The Lay of the Land is a book for all, who love nature. The author, Dallas Lore Sharp,
 wrote this collection of essays about flora and fauna on his property in 1908. In addition to the descriptions the book offers
diverse illustrations of the world of nature.

The Lay of the Land - The Lay of the Land 2014-03-22 Dallas Lore Sharp (1870–1929) was an American author, university professor, and
librarian, best remembered for his magazine articles and books about native birds and small mammals. "We have had a series of long,
heavy rains," he begins The Lay of the Land, "and water is standing over the swampy meadow. It is a dreary stretch, this wet, sedgy land
in the cold twilight, drearier than any part of the woods or the upland pastures. They are empty, but the meadow is flat and wet, naked
and all unsheltered. And a November night is falling. The darkness deepens. A raw wind is rising. At nine o'clock the moon swings round
and full to the crest of the ridge, and pours softly over. I button the heavy ulster close, and in my rubber boots go down to the river and
follow it out to the middle of the meadow, where it meets the main ditch at the sharp turn toward the swamp. Here at the bend, behind a
clump of black alders, I sit quietly down and wait. I am not mad, nor melancholy; I am not after copy. Nothing is the matter with me. I
have come out to the bend to watch the muskrats building, for that small mound up the ditch is not an old haycock, but a half-finished
muskrat house." This classic contains the following chapters: I. The Muskrats Are Building II. Christmas in the Wood III. A Cure for
Winter IV. The Nature Student V. Chickadee VI. The Missing Tooth VII. The Sign of the Shad-Bush VIII. The Nature Movement IX. June
X. A Broken Father XI. High Noon XII. The Palace in the Pig-Pen XIII. An Account with Nature XIV. The Buzzard of the Bear Swamp XV.
The Lay of the Land

The Ley of the Land - Sandra M. Lowe 2015-11-19 Sandra Lowe takes us on a physical and mystical journey through the Inca Trail,
Machu Picchu, and the Sacred Valley. She describes the lay of the landthe terrain, the ruins. But she also describes the ley of the
land invisible lines that join energy centres. Filled with photos, maps, history, and spiritual insight, The Ley of the Land reveals the deep
connection Sandra has made with the ancestors of the land and the guidance she has received for spiritual growth and personal
transformation. Some may choose to read this book as a travel guide prior to walking the Inca Trail. They will learn why it is worth
getting up at 4:00 a.m. to walk in the dark. But the gems in this book go beyond trekking to Machu Picchu. Sandra shares the wisdom of
her mentors that will help anyone walking the path to Self-awareness. If you are taking a trip to Machu Picchu, read this book. If you are
on a journey of the Self, read this book. Sandras trek and meditations will be a guide for your own personal journey.

The Oxford Handbook of Aesthetics - Jerrold Levinson 2005-01-27 'The Oxford Handbook of Aesthetics' has assembled 48 brand-new
essays, making this a comprehensive guide available to the theory, application, history, and future of the field.

Wish You Were Here -

The Philippine Islands - John Foreman 1892

The Lay of the Last Minstrel - Walter Scott 1850

Learning the Lay of the Land - Mary Maley 2007
The lay of the land - Robert A. Hamblin 1918

Lay of the Land - Paul Garmisch 2015-04-27 Get ready for the greatest humor riddled epic satire of all time... No, that ain't it... Cowboys in Space! hmmm... they don't wear cowboy hats?! Ahhh... Cowboy is a state-of-mind. Ever wonder what our world is deep down, really truly like? Well, right now, and lights years away, exists the Quantum civilization that has come of age, after running the gauntlet of ecological collapse. Now, it is the Quantums duty to bring the option of balance to their neighboring planet inhabitants. Teach the “Spirit of Life”. Little do the Quantums know that getting mixed up in the affairs of money grubbing weasels, the Strokes and the Imeons, will lead them into the depths of genetic experimentation, sexual perversion, a mind-blowing war with gigantic GMO creatures, and the potential of turning their “Spirit of Life” ethics into ground meat death. Oh... and GOD shows up. Tells the Quantums about the dark evil secret coming from outside. Another mission for the Quantums. Time to Cowboy Up! This epic story is not “Star Trek” or “Star Wars”. It's the “Lay of the Land”! Happy Trails. Key Words – Humor, Satire, Cowboy, Space, Sci-Fi, Quantum, Genetic, Experimentation

Of Mice and Men - John Steinbeck 1937 Tells a story about the strange relationship of two migrant workers who are able to realize their dreams of an easy life until one of them succumbs to his weakness for soft, helpless creatures and strangles a farmer's wife.

The Rule of the Land - Garrett Carr 2017-01-31 In the wake of the EU referendum, the United Kingdom's border with Ireland has gained greater significance: it is set to become the frontier with the European Union. Over the past year, Garrett Carr has travelled this border, on foot and by canoe, to uncover a landscape with a troubled past and an uncertain future. Across this thinly populated line, travelling down hidden pathways and among ancient monuments, Carr encounters a variety of characters who have made this liminal space their home. He reveals the turbulent history of this landscape and changes the way we look at nationhood, land and power. The book incorporates Carr's own maps and photographs.

Genomics of Rare Diseases - Claudia Gonzaga-Jauregui 2021-06-12 Genomics of Rare Diseases: Understanding Disease Genetics Using Genomic Approaches, a new volume in the Translational and Applied Genomics series, offers readers a broad understanding of current knowledge on rare diseases through a genomics lens. This clear understanding of the latest molecular and genomic technologies used to elucidate the molecular causes of more than 5,000 genetic disorders brings readers closer to unraveling many more that remain undefined and undiscovered. The challenges associated with performing rare disease research are also discussed, as well as the opportunities that the study of these disorders provides for improving our understanding of disease architecture and pathophysiology. Leading chapter authors in the field discuss approaches such as karyotyping and genomic sequencing for the better diagnosis and treatment of conditions including recessive diseases, dominant and X-linked disorders, de novo mutations, sporadic disorders and mosaicism. Compiles applied case studies and methodologies, enabling researchers, clinicians and healthcare providers to effectively classify DNA variants associated with disease and patient phenotypes Discusses the main challenges in studying the genetics of rare diseases through genomic approaches and possible or ongoing solutions Explores opportunities for novel therapeutics Features chapter contributions from leading researchers and clinicians

The Rime of the Ancient Mariner - Samuel Taylor Coleridge 1906

Sorry for Your Trouble - Richard Ford 2020-05-12 A landmark new collection of stories from Richard Ford that showcases his brilliance, sensitivity, and trademark wit and candor In Sorry for Your Trouble, Pulitzer Prize winner and New York Times-bestselling author Richard Ford enacts a stunning meditation on memory, love and loss. “Displaced” returns us to a young man’s Mississippi adolescence, and to a shocking encounter with a young Irish immigrant who recklessly tries to solace the narrator’s sorrow after his father’s death. “Driving Up” follows an American woman’s late-in-life journey to Canada to bid good-bye to a lost love now facing the end of this life. “The Run of Yourself,” a novella, sees a New Orleans lawyer navigating the difficulties of living beyond his Irish wife’s death. And “Nothing to Declare” follows a man and a woman’s chance re-meeting in the New Orleans French Quarter, after twenty years, and their discovery of what’s left of love for them. Typically rich with Ford’s emotional lucidity and lyrical precision, Sorry for Your Trouble is a memorable collection from one of our greatest writers.
