Social group - Wikipedia

In his text, Group Dynamics, Forsyth (2010) discuses several common characteristics of groups that can help to define them. 1) Interaction. This group component varies greatly, including verbal or non-verbal communication, social loafing, networking, forming bonds, etc. Research by Bales (cite, 1950, 1999) determine that there are two main

Team - Wikipedia

A team is a group of individuals (human or non-human) working together to achieve their goal. As defined by Professor Leigh Thompson of the Kellogg School of Management, “[a] team is a group of people who are interdependent with respect to information, resources, knowledge and skills and who seek to combine their efforts to achieve a common goal”. A group does not ...
