Twentieth Century (1934) - IMDb
Twentieth Century: Directed by Howard Hawks. With John Barrymore, Carole Lombard, Walter Connolly, Roscoe Karns. A flamboyant Broadway impresario who has fallen on hard times tries to get his former lover, now a Hollywood diva, to return and resurrect his failing career.

Drone in the Twentieth Century | British Literature Wiki
The early twentieth century denoted the split between ‘frocks and frills’ drama and serious works, following in the footsteps of many other European countries. "In Britain the impact of these continental innovations was delayed by a conservative theatre establishment until the late 1950s and 1960s when they converged with the counter..." "PANTONE: The Twentieth Century in Color is as much an ultimate treat for color-lovers as it is a fascinating and uncommon lens on familiar cultural history, a vibrant volume among the year's finest designs-and-beyond books." -- TheAtlantic.com

On Tyranny: Twenty Lessons from the Twentieth Century
Timothy Snyder is one of the world’s leading historians, and a prominent public intellectual in the United States and Europe. An expert on eastern Europe and on the Second World War, he has written acclaimed and prize-winning books about twentieth-century European history, as well as political manifestos and analyses about the rise of tyranny in the contemporary world.

8 Famous Historical Figures of Twentieth Century America
Jul 11, 2016 - The 20th century has been called “the American century” by scholars, commentators and the public, because of the contributions the United States made to the world during this period. In the 20th century, the United States emerged as a world superpower, and led the international community politically, economically, and culturally for decades. The success of the United States in

African Americans in the Twentieth Century - EH.net
African Americans in the Twentieth Century. Thomas N. Maloney, University of Utah. The nineteenth century was a time of radical transformation in the political and legal status of African Americans. Blacks were freed from slavery and began to enjoy greater rights as citizens (though full recognition of their rights remained a long way off).

Children’s Lives at the Turn of the Twentieth Century
Jump to: Background Suggestions for Teachers Additional Resources The dawn of the twentieth century was a time of great change in the United States, and many of those changes can be seen in the lives of the nation’s children— how they worked, played, learned, and made sense of the world.

20th Century Fox | History, Movies, & Facts | Britannica
In 1935 Twentieth Century-Fox introduced CinemaScope, the process by which a picture is projected on a screen two and a half times as wide as it is high; the company’s first wide-screen feature film, The Robe (1953), began the trend toward the use of wide screens in motion-picture theatres. Twentieth Century-Fox was the studio that brought Marilyn Monroe to stardom in the 1950s.

Developments in Drama: Twentieth century experiments from
Although the late nineteenth and early twentieth centuries are best remembered for the birth of modern realism and naturalism, other important movements developed at the same time. For the purpose of this article, we have tried to categorise the various abstract forms of theatre that came into being in the early part of the twentieth century.

Automobile - Timeline - Greatest Engineering Achievements
Automobiles may not have been born in the 20th century, but they were not yet out of diapers when it began. Even after Gottlieb Daimler and Karl Benz introduced their improved four-stroke internal combustion engine, autos in both the United States and Europe were still pok ing along at a few miles an hour (a sizeable proportion of them still running on electricity or steam).

Twentieth Century: Society in the United States | Scholastic
The 20th century was a time of enormous changes in American life. The beginning of the 21st century seems a suitable time to look back over the past 100 years and see how the United States has developed, for better and worse, during that period of its history.
