Winter Of Artifice Anais Nin

Winter of Artifice, Anais Nin-Anaïs Nin 1942

House of Incest-Anaïs Nin 2010-07-14 The House of Incest, Anais Nin's famous prose poem, was first published in Paris in 1936 and immediately drew attention from the era's prominent writers, including Henry Miller and Lawrence Durrell. While written in English, it is considered a landmark work in the French surrealist tradition and one of the most unique books in 20th century literature.

The Winter of Artifice-Anaïs Nin 1939 The original, uncensored 1939 edition of Anais Nin's third book and second volume of fiction is republished for the first time anywhere. Not to be confused with other Nin books titled 'Winter of Artifice,' which have dramatically different contents, these novellas that draw on Nin's experiences are occasionally so graphic in detail that the book was, according to Nin, banned in America. The depiction of the love triangle among Hans, Johanna, and the narrator in "Djuna" is precursor of Nin's magnificent 'Henry and June,'
the first volume of Nin's unexpurgated diary, the movie version of which was the first film to receive the NC-17 rating. One of the few surviving copies of 'The Winter of Artifice' was used to produce the facsimile.

**Winter of Artifice. Revised [ed.]**-Anaïs Nin 1974

**Incest**-Anaïs Nin 1993-09-16 The trailblazing memoirist and author of Henry & June recounts her relationships with Henry Miller and others—including her own father. Anaïs Nin wrote in her uncensored diaries like they were a broad-minded confidante with whom she shared the liberating psychosexual dramas of her life. In this continuation of her notorious Henry & June, she recounts a particularly turbulent period between 1932 and 1934, and the men who dominated it: her protective husband, her therapist, and the poet Antonin Artaud. However, most consuming of all is novelist Henry Miller—a man whose genius, said Anaïs, was so demonic it could drive people insane. Here too, recounted in extraordinary detail, is the sexual affair she had with her father. At once loving, exciting, and vengeful, it was the ultimate social transgression for which Anaïs would eventually seek absolution from her analysts. “Before Lena Dunham there was Anaïs Nin. Like Dunham, she’s been accused of narcissism, sociopathy, and sexual perversion time and again. Yet even that comparison undercuts the strangeness and bravery of her work, for Nin was the first of her kind. And, like all truly unique talents, she was worshipped by some, hated by many, and misunderstood by
most . . . A woman who’d spent decades on the bleeding edge of American intellectual life, a woman who had been a respected colleague of male writers who pushed the boundaries of acceptable sex writing. Like many great . . . experimentalists, she wrote for a world that did not yet exist, and so helped to bring it into being.” —The Guardian

Includes an introduction by Rupert Pole

The Diary of Anaïs Nin-Anaïs Nin 1970-03-25 The second volume of “one of the most remarkable diaries in the history of letters” (Los Angeles Times). Beginning with the author’s arrival in New York, this diary recounts Anaïs Nin’s work as a psychoanalyst, and is filled with the stories of her analytical patients—as well as her musings over the challenges facing the artist in the modern world. The diary of this remarkably daring and candid woman provides a deeply intimate look inside her mind, as well as a fascinating chapter in her tumultuous life in the latter years of the 1930s.

The Diary of Anaïs Nin, 1944-1947-Anaïs Nin 1972-10-18 The fourth volume of “one of the most remarkable diaries in the history of letters” (Los Angeles Times). The renowned diarist continues her record of her personal, professional, and artistic life, recounting her experiences in Greenwich Village for several years in the late 1940s, where she defends young writers against the Establishment—and her trip across the country in an old Ford to California and Mexico. “[Nin is] one of the most extraordinary and

Edited and with a preface by Gunther Stuhlmann

**Anais Nin**-Suzanne Nalbantian 1997-07-13 This book of essays is the first to probe Anais Nin's achievements as a literary artist. With an introduction by the editor, Suzanne Nalbantian, the collection examines the literary strategies of Nin in their psychoanalytical and stylistic dimensions. Various contributors scrutinize Nin's artistry, identifying her unique modernist techniques and her poetic vision. Others observe the transfer of her psychoanalytical positions to narrative. The volume also contains fresh views of Nin by her brother Joaquin Nin-Culmell as well as innovative analyses of the reception of her works.

**A Casebook on Anaïs Nin**-Robert Zaller 1974

**Anais Nin**-Rochelle Holt 1997

**A Literate Passion**-Anaïs Nin 1989-04-22 A “lyrical, impassioned” document of the intimate relationship between the two authors that was first disclosed in Henry and June (Booklist). This exchange of letters between the two controversial writers—Anaïs Nin, renowned for her candid and personal diaries, and Henry Miller, author of Tropic of Cancer—paints a portrait of more than two
decades in their complex relationship as it moves through periods of passion, friendship, estrangement, and reconciliation. “The letters may disturb some with their intimacy, but they will impress others with their fragrant expression of devotion to art.” —Booklist “A portrait of Miller and Nin more rounded than any previously provided by critics, friends, and biographers.” —Chicago Tribune
Edited and with an introduction by Gunther Stuhlmann

**Winter of Artifice ; House of Incest**-Anaïs Nin 1979

**Fire**-Anaïs Nin 1995-05-15 The renowned diarist continues the story begun in Henry and June and Incest. Drawing from the author’s original, uncensored journals, Fire follows Anaïs Nin’s journey as she attempts to liberate herself sexually, artistically, and emotionally. While referring to her relationships with psychoanalyst Otto Rank and author Henry Miller, as well as a new lover, the Peruvian Gonzalo Moré, she also reveals that her most passionate and enduring affair is with writing itself.

**Anais Nin**-Maryanne Raphael 2003-07-01 "For readers unfamiliar with her subject, Maryanne Raphael's biography, Anais Nin, The Voyage Within, is a sensitive, uncomplicated introduction to the life and work of one of the 20th century's most quintessentially feminine artists. For Nin devotees, the biography is a refresher course taking us back through the vast material of the Diaries and novels that enchanted and
inspired our love. Raphael accepts Nin entirely on her own terms. Thanks to a warm, personal relationship with Rupert Pole, Nin's surviving husband and executor of her estate, Raphael opens up some of the mystery that has hitherto surrounded Nin's relationship with her husbands—an aspect of Nin's life that was never explicitly described in the original Diaries. The result is a multi-dimensional portrait in which Nin's two selves, artist and woman are fully integrated. Nin the woman consciously chooses to realize female desire, give form to female imagination, always loving as she remains completely focused on birthing a new unabashedly feminine literature. Thank you, Maryanne!" - Dolores Brandon, Author of IN THE SHADOW OF MADNESS, A Memoir

**Mirages**-Anaïs Nin 2013-10-15 Mirages opens at the dawn of World War II, when Anaïs Nin fled Paris, where she lived for fifteen years with her husband, banker Hugh Guiler, and ends in 1947 when she meets the man who would be “the One,” the lover who would satisfy her insatiable hunger for connection. In the middle looms a period Nin describes as “hell,” during which she experiences a kind of erotic madness, a delirium that fuels her search for love. As a child suffering abandonment by her father, Anaïs wrote, “Close your eyes to the ugly things,” and, against a horrifying backdrop of war and death, Nin combats the world’s darkness with her own search for light. Mirages collects, for the first time, the story that was cut from all of Nin’s other published diaries, particularly volumes 3 and 4 of The Diary of Anaïs Nin, which cover the same time period. It is the
long-awaited successor to the previous unexpurgated diaries Henry and June, Incest, Fire, and Nearer the Moon. Mirages answers the questions Nin readers have been asking for decades: What led to the demise of Nin’s love affair with Henry Miller? Just how troubled was her marriage to Hugh Guiler? What is the story behind Nin’s “children,” the effeminate young men she seemed to collect at will? Mirages is a deeply personal story of heartbreak, despair, desperation, carnage, and deep mourning, but it is also one of courage, persistence, evolution, and redemption that reaches beyond the personal to the universal.

Anais Nin—Benjamin Franklin 1979 A critical examination of the fiction, essays, and diaries of Anais Nin published during her lifetime draws attention to style, themes, characterization, psychological insights, and her portrayals of women

Collages—Anaïs Nin 2002 Collages explores a world of fantasy and dreams through an eccentric young painter. Nin's first book was published in the 1930s and she went on to write stories and a series of autobiographical novels and her celebrated volumes of erotica.

Children of the Albatross—2012 Children of the Albatross is considered by critics to be one of Anaïs Nin's most beautifully written books; it is also a groundbreaker in that it eloquently addresses androgyny and homosexuality, which
few literary works dared to do in 1940s America. We are introduced to three of Nin's most significant characters: Djuna, Lillian, and Sabina, all of whom represent different aspects of Nin's character—serenity, earthiness, and the femme fatale, respectively. In the first part of the novel, "The Sealed Room," we witness Djuna's developing perception of sexuality as we follow her from when, as an adolescent, she has learned to fear powerful, masculine, potent men, to her search for love in young, sexually ambivalent men—the "transparent children"—finally fusing with an airy teenage boy to whom she introduces the world of love and sexuality. In the second part, "The Café," Nin reveals the psychological truth of her relationship with her lover and mentor, Henry Miller, via her main characters' interactions with the powerful, omnipotent Jay, whom Nin fashioned after Miller. Children of the Albatross offers the reader Anaïs Nin's sense of "inner reality" perhaps more beautifully and effectively than in any other work.

**Little Birds**-Anaïs Nin 2002-02-28 Anaïs Nin's Little Birds is published in Penguin Modern Classics. Anaïs Nin's second volume of erotic short stories after Delta of Venus, Little Birds is broader in scope, encompassing the entire breadth of human sensuality. Each of the 13 stories captures a moment of pure desire, in all its complexity and paradoxical simplicity. Anaïs Nin (1903-77), born in Paris, was the daughter of a Franco-Danish singer and a Cuban pianist. Her first book - a defence of D. H. Lawrence - was published in the 1930s. Her prose poem, House of Incest (1936) was followed by the collection of three novellas, collected as
Winter of Artifice (1939). In the 1940s she began to write erotica for an anonymous client, and these pieces are collected in Delta of Venus and Little Birds (both published posthumously). During her later years Anaïs Nin lectured frequently at universities throughout the USA, in 1974 and was elected to the United States National Institute of Arts and Letters. If you enjoyed Little Birds, you might like Nin's Delta of Venus, also available in Penguin Modern Classics. 'One of the most extraordinary and unconventional writers of this century' The New York Times Book Review

**Eros Unbound** - Anais Nin 2007-08-02 A naïve model slowly discovering her sexuality; an erotic moonlight encounter on a beach; a man teaching the art of passion in a gypsy caravan; and a woman in love with a scent from Fez

Anaïs Nin's stories explore the nature of sex and the awakening of desire. United by the theme of love, the writings in the Great Loves series span over two thousand years and vastly different worlds. Readers will be introduced to love's endlessly fascinating possibilities and extremities: romantic love, platonic love, erotic love, gay love, virginal love, adulterous love, parental love, filial love, nostalgic love, unrequited love, illicit love, not to mention lost love, twisted and obsessional love

**Anais Nin** - Benjamin Franklin 1973

**Cities of the Interior** - Anaïs Nin 1974 "My original concept
was Roman Fleuve, a series of novels on various aspects of relationships, portraying four women in a continuous symphony of experience". -- Anais Nin, from the introduction to the British edition of Ladders to Fire.

**The Four-chambered Heart**-Anaïs Nin 1992 A magical canal boat on the Seine becomes the ideal, secluded "cell" in which Djuna and Rango, a cafe guitarist, conduct their passionate affair. But in the background is Rango's invalid wife, who gradually encroaches on their passion. Can their relationship survive her manipulations?

**Under a Glass Bell and Other Stories**-Anaïs Nin 1995 Under a Glass Bell is one of Nin's finest collections of stories. First published in 1944, it attracted the attention of Edmond Wilson, who reviewed the collection in The New Yorker. It was in these stories that Nin's artistic and emotional vision took shape. This edition includes a highly informative and insightful foreword by Gunther Stuhlmann that places the collection in its historical context as well as illuminates the sequence of events and persons recorded in the diary that served as its inspiration. Although Under a Glass Bell is now considered one of Anaïs Nin's finest collections of stories, it was initially deemed unpublishable. Refusing to give up on her vision, in 1944 Nin founded her own press and brought out the first edition, illustrated with striking black-and-white engravings by her husband, Hugh Guiler. Shortly thereafter, it caught the attention of literary critic Edmund Wilson, who reviewed the collection in the
New Yorker. The first printing sold out in three weeks. This new Swallow Press edition includes an introduction by noted modernist scholar Elizabeth Podnieks, as well as editor Gunther Stuhlmann's erudite but controversial foreword to the 1995 edition. Together, they place the collection in its historical context and sort out the individuals and events recorded in the diary that served as its inspiration. The new Swallow Press edition also restores the thirteen stories to the order Nin specified for the first commercial edition in 1948.

A Spy in the House of Love—Anaïs Nin 2013-10-15 A Spy in the House of Love, whose heroine Sabina is deeply divided between her drive for artistic and sexual expression and social restrictions and self-created inhibitions, echoes Anaïs Nin's personal struggle with sex, love, and emotional fragmentation.

Trapeze—Anaïs Nin 2017-05-15 Anaïs Nin made her reputation through publication of her edited diaries and the carefully constructed persona they presented. It was not until decades later, when the diaries were published in their unexpurgated form, that the world began to learn the full details of Nin’s fascinating life and the emotional and literary high-wire acts she committed both in documenting it and in defying the mores of 1950s America. Trapeze begins where the previous volume, Mirages, left off: when Nin met Rupert Pole, the young man who became not only her lover but later her husband in a bigamous marriage. It marks the
start of what Nin came to call her “trapeze life,” swinging between her longtime husband, Hugh Guiler, in New York and her lover, Pole, in California, a perilous lifestyle she continued until her death in 1977. Today what Nin did seems impossible, and what she sought perhaps was impossible: to find harmony and completeness within a split existence. It is a story of daring and genius, love and pain, largely unknown until now.

**Anais Nin**-Maryanne Raphael 2003-07-01 "For readers unfamiliar with her subject, Maryanne Raphael's biography, Anais Nin, The Voyage Within, is a sensitive, uncomplicated introduction to the life and work of one of the 20th century's most quintessentially feminine artists. For Nin devotees, the biography is a refresher course taking us back through the vast material of the Diaries and novels that enchanted and inspired our love. Raphael accepts Nin entirely on her own terms. Thanks to a warm, personal relationship with Rupert Pole, Nin's surviving husband and executor of her estate, Raphael opens up some of the mystery that has hitherto surrounded Nin's relationship with her husbands-an aspect of Nin's life that was never explicitly described in the original Diaries. The result is a multi-dimensional portrait in which Nin's two selves, artist and woman are fully integrated. Nin the woman consciously chooses to realize female desire, give form to female imagination, always loving as she remains completely focused on birthing a new unabashedly feminine literature. D.H. Lawrence, an Unprofessional Study - Anaïs Nin 1932

Anaïs Nin - Clara Oropeza 2018-08-06 Anaïs Nin: A Myth of Her Own traces Nin’s literary craft by following the intimacy of self-exploration and poetic expression attained in the details of the quotidian, transfigured into fiction. By digging into the mythic tropes that permeate both her literary diaries and fiction, this book demonstrates that Nin constructed a mythic method of her own, revealing the extensive possibilities of an opulent feminine psyche. Clara Oropeza demonstrates that the literary diary, for Nin, is a genre that with its traces of trickster archetype, among others, reveals a mercurial, yet particular understanding of an embodied and at times mystical experience of a writer. The cogent analysis of Nin’s fiction alongside the posthumously published unexpurgated diaries, within the backdrop of emerging psychological theories, further illuminates Nin’s contributions as an experimental and important modernist writer whose daring and poetic voice has not been fully appreciated. By extending research on diary writing and anchoring Nin’s literary style within modernist traditions, this book contributes to the redefinition of what literary modernism was comprised, who
participated and how it was defined. Anaïs Nin: A Myth of Her Own is unique in its interdisciplinary expansion of literature, literary theory, mythological studies and depth psychology. By considering the ecocritical aspects of Nin’s writing, this book forges a new paradigm for not only Nin’s work, but for critical discussions of self-life writing as a valid epistemological and aesthetic form. This impressive work will be of great interest to academics and students of Jungian and post-Jungian studies, literary studies, cultural studies, mythological studies and women’s studies.

**A Cafe in Space**-Paul Herron 2007 'A Cafe in Space' Vol. 4 contains never before published correspondence between Anais Nin and her publisher, Alan Swallow, concerning the publication of her now-famous DIARY OF ANAIS NIN (Harcourt 1966), as well as letters between Nin's second husband, Rupert Pole and John Ferrone of Harcourt concerning the preparation of Nin's first unexpurgated diary, 'Henry and June.' Also included are essays about Nin's work, her connection to feminism, and her brother, Joaquin, the composer. This issue also contains book and other media reviews, poetry, and photographs.

**Dance of the Ariadnes**-Sharon Spencer 1998 Having been abandoned by a mysterious man she'd met on the Yugoslavian

**Realism and Reality**-Anaïs Nin 1946
Women in Dialogue-Dilek Direnç 2009-03-26 Women in Dialogue: (M)Uses of Culture results from an international symposium held at Ege University, Izmir, Turkey, in 2006, which brought together scholars from over ten countries, and from multiple academic backgrounds, who share professional interest in women’s studies, and, to no less degree, in current women’s realities. The book presents a collection of essays united by a common focus on the position of women as objects of cultural production in different geographic, national, and political contexts, as well as the character and typology of women’s contribution to cultural activity across the ethnic or religious divide marking the face of contemporary world. The volume comprises two sections: the first, titled “Women in Dialogue,” contains contributions which analyze literary representations of women from a variety of perspectives, and from diverse spatial and temporal locations. The second part, titled “(M)Uses of Culture,” includes personalized observations by several women writers, of both poetry and fiction, their commentaries on their own work as artists, and their deeply experienced “musings” on the position of women as artists in the world of today. The essays that this volume brings together are varied in subject matter; yet they are connected by the common theme, epitomized in the metaphor of dialogue, as a platform for active, productive communication, leading – on the pages of the book, if not elsewhere – to learning, and mutual understanding.

The Critical Response to Anais Nin-Philip K. Jason 1996 Selections trace the critical reception of Nin's diary, novels,
and short fiction from 1937 to the present.

**Conversations with Anaïs Nin**-Anaïs Nin 1994 Largely ignored by mainstream audiences for the first thirty years of her career, Anais Nin (1903-1977) finally came into her own with the publication of the first part of her diary in 1966. Thereafter she was catapulted into fame. Throughout the late sixties and the seventies she attracted a host of devoted and admiring readers in the counter culture, who were magnetized by her personal liberation and openness. For a woman to make such probing exploration of the intimate recesses of her psyche made her a cult figure with a large and lasting readership. Born in France, Anais Nin lived much of her life in America. Her liaison with Henry Miller and his wife June, documented in her explicitly detailed diaries, became the subject of a major film of the nineties. Her forthright books, her diaries that continue to be published in a steady flow, and her charismatic charm made her the subject of many candid interviews, such as those collected here. Eight included in this volume are printed for the first time. Many others were originally published in magazines that are now defunct. Nin elaborates on subjects only touched upon in the diaries, and she speaks also of her role in the women's movement and of her philosophies on art, writing, and individual growth.

**Anaïs Nin, Fictionality and Femininity**-Helen Tookey 2003 Helen Tookey examines the work of Anaïs Nin (1903-77)-- and the different versions of Nin herself, as
woman, writer, and iconic figure--through the lens of cultural and historical contexts. She focuses particularly on questions of identity and femininity, exploring how the self, for Nin, is constructed through narratives and performances of various kinds, and shedding light on key issues and conflicts within feminist thinking since the 1970s, particularly questions of identity, femininity, and psychoanalysis.

**Breaking the Sequence**-Ellen G. Friedman 2014-07-14
These nineteen essays introduce the rich and until now largely unexplored tradition of women's experimental fiction in the twentieth century. The writers discussed here range from Gertrude Stein to Christine Brooke-Rose and include, among others, Virginia Woolf, Jean Rhys, Jane Bowles, Marguerite Young, Eva Figes, Joyce Carol Oates, and Marguerite Duras. "Friedman and Fuchs demonstrate the breadth of their research, first in their introduction to the volume, in which they outline the history of the reception of women's experimental fiction, and analyze and categorize the work not only of the writers to whom essays are devoted but of a number of others, too; and second in an extensive and wonderfully useful bibliography."--Emma Kafalenos, The International Fiction Review "After an introduction that is practically itself a monograph, eighteen essayists (too many of them distinguished to allow an equitable sampling) take up three generations of post-modernists."--American Literature "The editors see this volume as part of the continuing feminist project of the `recovery and foregrounding of women writers.' Friedman and Fuchs's
substantive introduction excellently synthesizes the issues presented in the rest of the volume."--Patrick D. Murphy, Studies in the Humanities Originally published in 1989. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.
