Talk and Work it Out

3-12 Children, simple language and realistic illustrations teach children the process of peaceful conflict resolution.

Course Design Strategy

Ethan Hunsley 2001-07-01 This book is packed with strategies and insights that will help you design better training courses. It focuses on how people learn as the key factor in making design decisions. It shows you how to design a good course for any field, no matter what medium you use to deliver it. Learn how the brain works, how people forget, how to gain and maintain attention, and how to make an audience interact. Then use the way-to-design individualized exercises and assessments that are ideal for group work prior to group training sessions, so they can be distributed to participants for their own self-development. All of the activities and assessments are reproducible and include participant materials and instructions for use in the training setting.

The Conflict and Communication Activity Book

A Conflict: Is It Worth Getting Into?; In the Heat of the Moment; How to Deal with Hot Buttons; Resolving a Conflict through Mediation; Test Your Knowledge, Part One; Conflict Resolution Activities Exercises: Group Learning Activities to Explore Conflict and Provide Practice in Skills That Help to Resolve It. Part Two consists of twenty-five individual exercises and assessments that are ideal for group work prior to group training sessions, so they can be distributed to participants for their own self-development. All of the activities and assessments are reproducible and include participant materials and instructions for use in the training setting. Includes an overview of conflict resolution, self-assessment activities, conflict resolution assessment rubrics, and standards for conducting conflict resolution activities.

Conflict Resolution for Kids

The art in peacemaking a guide to integrating conflict resolution education into youth arts programs

5 sessions. For each session, the materials required, session time, goals, activities, and evaluation considerations are given. You will find lists of examples and studies in the book that provide insights that may not be obvious but that lead to important design decisions. They will change forever how you think about training design and delivery. And your trainees will profit from the skills and knowledge that your courses will impart. In Course Design Strategy, you will learn: How to make content meaningful. What learners expect from a course. How people learn and forget, and why this should be the cornerstone of any course design. How to use exercises and tests to enhance learning.

Conflict Resolution Theory and Practice

Patrick M. Lencioni 2010-06-03 In The Five Dysfunctions of a Team Patrick Lencioni once again offers a leadership fable that is as entertaining and instructive as his first best-selling book, The Five Dysfunctions of a Teambuilding Facilitator's Guide. Teambuilding Facilitator's Guide. What if you could take apart a team, reset it, and build it back into the most effective team that has ever worked together? In The Five Dysfunctions of a Team, Lencioni reveals the root causes of these five dysfunctions which go to the very heart of why teams even the best ones—often struggle. He outlines a powerful model and actionable steps teams can use to overcome these human challenges and build a cohesive, effective team. Lencioni draws on his experiences as a consultant and CEO of two companies. He is a native of the Netherlands who has spent the last 40 years working in the US.
