Marc Brown 2018-01-09
Everyone's favorite pranksters are at it again! School's out, and Miles and Niles are running wild in the woods outside town—climbing trees, exploring caves, and, yes, pranking. But then—lo and behold—they discover a nearby kid's best camp—discover the meteors—and vow to destroy them. Are our heroes' sharp minds any match for these headcases' hard fists? The latest installment of the silly, oversized illustrated series is another "fast-paced, laugh-out-loud read!" (School Library Journal) that proves once again that, in the hands of the powerless, pranks can be tools of justice—poor, but funny!
