Leibniz on Compossibility and Possible Worlds—Gregory Brown 2016-12-27 This volume brings together a number of original articles by leading Leibniz scholars to address the meaning and significance of Leibniz's notions of compossibility and possible worlds. In order to avoid the conclusion that everything that exists is necessary, or that all possible worlds are actually, as Spinoza held, Leibniz argued that not all possible substances are compossible, that is, capable of coexisting. In Leibniz's view, the compossibility relation divides all possible substances into disjoint sets, each of which constitutes a possible world, or a way that God might have created things. For Leibniz, then, it is the compossibility relation that individuates possible worlds, and possible worlds form the objects of God's choice, from among which he chooses the best for creation. Thus the notions of compossibility and possible worlds are of major significance for Leibniz's metaphysics, his theodicy, and, ultimately, for his ethics. Given the fact, however, that none of the approaches to understanding Leibniz's notions of compossibility and possible worlds suggested to date have gained universal acceptance, the goal of this book is to gather a body of new papers that explore ways of either refining previous interpretations in light of the objections that have been raised against them, or ways of framing new interpretations that will contribute to a fresh key notions in Leibniz's thought.

The Lord of the Flies—William Golding 2003-12-16 Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

The Land of Stories: The Wishing Spell—Chris Colfer 2012-07-17 The first book in Chris Colfer's #1 New York Times bestselling series The Land of Stories about two siblings who fall into a fairy-tale world! Alex and Conner Bailey's world is about to change forever, in this fast-paced adventure that uniquely combines our modern day world with the enchanting realm of classic fairy tales. The Land of Stories is an eternal touchstone for civil rights, anti-colonialism, psychiatric studies, and Black consciousness movements around the world. Alongside Cornel West's introduction, the book features critical essays by Jean-Paul Sartre and Homi K. Bhabha. This sixtieth anniversary edition of Fanon's most famous text stands proudly alongside such pillars of anti-colonialism and anti-racism as Edward Said’s Orientalism and The Autobiography of Malcolm X.

The Moment of Lift—Melinda Gates 2019-04-23 NEW YORK TIMES BESTSELLER “In her book, Melinda tells the stories of the inspiring people she’s met through her work all over the world, digs into the data, and powerfully illustrates issues that need our attention—from child marriage to gender inequity in the workplace.” — President Barack Obama “The Moment of Lift is an urgent call to courage. It changed how I think about myself, my family, my work, and what’s possible in the world. Melinda weaves together vulnerable, brave storytelling and compelling data to make this one of those rare books that you carry in your heart and mind long after the last page.” — Brené Brown, Ph.D., author of the New York Times #1 bestseller Dare to Lead “Melinda Gates has spent many years working with women around the world. This book is an urgent manifesto for an equal society where women are valued and recognized in all spheres of life. Most of all, it is a call for unity, inclusion and connection. We need this message more than ever.” — Malala Yousafzai “Melinda Gates’s book is a lesson in listening. A powerful, poignant, and ultimately humble call to arms.” — Tara Westover, author of the New York Times #1 bestseller Educated A debut from Melinda Gates, a timely and necessary call to action for women’s empowerment. “How can we summon a moment of lift for human beings – and especially for women? Because when you lift up women, you lift up humanity.” For the last twenty years, Melinda Gates has been on a mission to find solutions for people with the most
urgent needs, wherever they live. Throughout this journey, one thing has become increasingly clear to her: If you want to lift a society up, you need to stop keeping women down. In this moving and compelling book, Melinda shares lessons she’s learned from the inspiring people she’s met during her work and travels around the world. As she writes in the introduction, “That is why I had to write this book—to share the stories of people who have given focus and urgency to my life. I want all of us to see ways we can lift women up where we live.”

If I Stay—Gayle Forman 2009 With no memory of the car accident itself, 17-year-old Mia must come to terms with never really knowing what happened one horrific winter’s day that changed her forever.

Shatter Me—Tahereh Mafi 2011-11-15 The gripping first installment in New York Times bestselling author Tahereh Mafi’s Shatter Me series. One touch is all it takes. One touch, and Juliette Ferrars can leave a fully grown man gasping for air. One touch, and she can kill. No one knows why Juliette has such incredible power. It feels like a curse, a burden that one person alone could never bear. But the Reestablishment sees it as a gift, as a tool for her as an opportunity. An opportunity for a deadly weapon. Juliette has never fought for herself before. But when she’s reunited with the one person who ever cared about her, she finds a strength she never knew she had. And don’t miss Defy Me, the shocking fifth book in the Shatter Me series!

Worlds Apart—James Riley 2018-03-22 Owen and Bethany try to figure out what will happen to each other after the fictional and nonfictional worlds are torn apart in this fifth and final book in the New York Times bestselling series, Story Thieves—which was called a “fast-paced, action-packed tale” by School Library Journal—from the author of the Half Upon a Time trilogy. Bethany and Owen have failed. The villain they have come to know has ripped aside the fictional and nonfictional worlds, destroying their connection. Bethany has been split in two, with her fictional and nonfictional selves living in the separate realms. But weirdly, no one seems to mind. Owen—and every other nonfictional person—has lost their imaginations, so they can’t picture their lives any differently. Then Owen gets trapped in a dark, dystopian reality five years in the future, where nothing is needed more desperately than the power to imagine. Fictional Bethany is thrilled to be training with his father as his new sidekick, Twilight Girl—until she realizes that the fictional reality will fade away completely without the nonfictional world to hold it together. In this final installment of the genre-bending Story Thieves series, Owen and Bethany will be forced to risk everything to defeat Nobody and save multiple realities.

A History of the World—Robert Tugman 2012-10-03 The most global approach to world history, now streamlined and accessible.

The Miraculous Journey of Edward Tulane—Kate DiCamillo 2009 Edward Tulane, a cold-hearted and proud toy rabbit, loves only himself until he is separated from the little girl who adores him and travels across the country, acquiring new owners and listening to their hopes, dreams, and histories. Jr Lib Guild, Teacher’s Guide available. Reprint.

The Oxford English Dictionary—John Andrew Simpson 1991

A Savage Order—Rachael Kleinfield 2019-10-22 The most violent places in the world today are not at war. More people have died in Mexico in recent years than in Iraq and Afghanistan combined. These parts of the world are instead buckling under a maelstrom of gang war, organized crime, political conflict, corruption, and state brutality. Such devastating violence can feel hopeless, yet some places—Coming from the Republic of Georgia-have been able to recover. In this powerful argued and urgent book, Rachael Kleinfield examines why some democracies, including our own, are crippled by extreme violence and how they can regain security. Drawing on fifteen years of study and firsthand field research-interviewing generals, former guerrillas, activists, politicians, mobsters, and law enforcement in countries around the world-Kleinfield tells the stories of societies that successfully fought seemingly ingrained violence and offers penetrating conclusions about what must be done to build governments that are able to protect the lives of their citizens. Taking on existing literature and popular theories about war, crime, and foreign intervention, A Savage Order is a blistering yet inspiring investigation into what makes some countries peaceful and others war zones, and a blueprint for what we can do to help.

Cloud Cuckoo Land (Large Print Edition)—Anthony Doerr 2021-09-28 From the Pulitzer Prize–winning author of All the Light We Cannot See, perhaps the most bestselling and beloved literary fiction of our time, comes a triumph of imagination and compassion, a soaring novel about children on the cusp of adulthood in a broken world, who find resilience, hope, and story. The heroes of Cloud Cuckoo Land are trying to figure out the world around them: Anna and Omer, on opposite sides of the formidable city walls during the 1453 siege of Constantinople; teenage idealist Seymour in a memoir on a public library in present day Idaho; and Konstance, on an interstellar ship bound for an exoplanet, decades from now. Like Marie-Laure and Werner in All the Light We Cannot See, Anna, Omer, Seymour, and Konstance are dreamers and outsiders who find resourcefulness and hope in the midst of peril. An ancient text—the story of Aethon, who longs to be turned into a bird so that he can fly to a utopian paradise in the sky—provides solace and mystery to these unforgettable characters. Doerr has created a tapestry of times and places that reflects our vast interconnectedness—with other species, with each other, with those who lived before us and those who will be here after we’re gone. Dedicated to “the librarians then, now, and in the years to come,” Cloud Cuckoo Land is a hauntingly beautiful and redemptive novel about stewardship—of the book, of the Earth, of the human heart.

Prodigy—Marie Lu 2013 In the highly anticipated sequel to “Legend,” June and Day make their way to Las Vegas where they join the rebel Patriot group and become involved in an assassination plot against the Elector in hopes of saving the Republic.

Patterns of World History—Peter van Sivers 2012-03 This book offers a distinct framework for understanding the global past through the study of origins, interactions, and adaptations. The authors examine the full range of human ingenuity over time and space in a comprehensive, easy-handled, and critical fashion.

Send Me Their Souls—Sara Wolf 2020-11-03

Worldly Philosopher—Jeremy Adelman 2014-10-26 Worldly Philosophers chronicles the lives and writings of Albert O. Hirschman, one of the twentieth century’s most original and provocative thinkers. In this gripping biography, Jeremy Adelman tells the story of a man shaped by modern horrors and hopes, a worldly intellectual who fought for and wrote in defense of the values of tolerance and change. This is the first major account of Hirschman’s remarkable life, and a tale of the twentieth century as seen through the story of an astute and passionate observer. Adelman’s riveting narrative traces how Hirschman’s personal experiences shaped his unique intellectual perspective, and how his enduring legacy is one of hope, open-mindedness, and practical idealism.

The Finance Curse—Nicholas Shaxson 2018-11-05 A searing indictment of global finance, exploring how the banking sector grew from a supporter of business to the biggest business in the world, and showing how these societies might fight against financial hegemony. Financial journalist Nicholas Shaxson, who first made his reputation studying the “resource curse,” seeing first-hand the disastrous economic and societal effects of the discovery of oil in Angola. He then gained prominence as an expert on tax havens, revealing the dark corners of that world long before the scandals of the Panama and Paradise Papers. Now, in The Finance Curse, revised with chapters exclusive to this American edition, he takes us on a terrifying journey through the world economy, exposing tax havens, monopolists, megabanks, private equity firms, Eurozone traders, lobbyists, and a megamerge of soundbites quietly financing our entire society, hurting both business and individuals. Shaxson shows us the here, telling of the story of how re-engineered the global economic order in the last half-century, with the aim not of creating wealth but extracting it from the underlying economy. Under the twin gospels of “national competitiveness” and “shareholder value,” megabanks and financialized corporations have provoked a race to the bottom between states to provide the most subsidized environment for big business, have encouraged a brain drain into finance, and have fostered instability, inequality, and turned a blind eye to the spoils of organized crime. From Ireland to Iowa, Shaxson shows the myriad effects of financialization on our politics and on communities who were promised paradise but got poverty wages instead. We need a strong financial system—but when it grows too big it becomes a monster. The Finance Curse is the explosive story of how finance get a stranglehold on society, and reveals how we might release ourselves from its grasp.

The Savage Obstetion—Davilane Lort 2018-06-20 She’s a romantic at heart, living in the most unromantic of worlds. Nicknamed Sweet Abelli for her docile nature, Elena smiles on cue and has a charming response for everything. She’s the favored daughter; the perfect maidea princessa . . . or was. Now, all she can see in the mirror’s reflection is blood staining her hands like crimson paint. They say first impressions are everything . . . In the murky waters of New York’s underworld, Elena’s sister is arranged to marry Nicolas Russo. A Made Man, a boss, a cheat—even measured against mafia standards. His reputation stretches far and wide and is darker than his black suits and ties. After his and Elena’s first encounter ends with an accidental glare on her part, she realizes he’s just as rude as he is handsome. She doesn’t like the man or anything he stands for, though that doesn’t stop her heart from pattering like rain against glass when he’s near, nor the shiver that ghosts down her spine at the sound of his voice. And he’s always near. Telling her what to do. Making her feel hotter than any future brother-in-law should. Elena may be the Sweet Abelli on the outside, but she’s beginning to learn what a taste for the darkness, for rough hands, cigarettes, and whiskey-colored eyes. Having already escaped one scandal, however, she can barely afford to sweat up in another. Besides, even if he were here, everyone knows you don’t fall in love with a Made Man . . . right? This is a standalone forbidden romance.

Find tried-and-true sweet recipes for...
Speaking of Faith - Krista Tippett 2008-01-29 A thought-provoking, original appraisal of the meaning of religion by the host of public radio's On Being Krista Tippett, widely becoming known as the Bill Moyers of radio, is one of the country's most intelligent and insightful commentators on religion, ethics, and the human spirit. With this book, she draws on her own life story and her intimate conversations with both ordinary and famous figures, including Elie Wiesel, Karen Armstrong, and Thich Nhat Hanh, to explore complex subjects like science, love, virtue, and violence within the context of spirituality and everyday life. Her way of speaking about the mysteries of life—and of listening with care to those who endeavor to understand those mysteries—is nothing short of revolutionary.

Beautiful World, Where Are You - Sally Rooney 2021-09-07 AN INSTANT #1 NEW YORK TIMES BESTSELLER Beautiful World, Where Are You is a new novel by Sally Rooney, the bestselling author of Normal People and Conversations with Friends. Alice, a novelist, meets Felix, who works in a warehouse, and asks him if he'd like to travel to Rome with her. In Dublin, her best friend, Eileen, is getting over a break-up, and slips back into flirting with Simon, a man she has known since childhood. Alice, Felix, Eileen, and Simon are still young—but life is catching up with them. They desire each other, they delude each other; they get together, they break apart. They have sex, they worry about sex, they worry about their friendships and the world they live in. Are they standing in the last lighted room before the darkness, bearing witness to something? Will they find a way to believe in a beautiful world?

Ringworld - Larry Niven 2009-07-10 A two-headed creature and a large redfurred carnivore are among the members of a party which arrives to explore a mysterious world fabricated in the shape of a ring.
