What Matters Most Hyrum W. Smith 2001-10-09 The author explores existential angst, dissatisfaction, and spiritual emptiness in this far-sighted guide to adjusting priorities.

Freezing People Is (Not) Easy Bob Nelson 2014-03-18 Bob Nelson was no ordinary T.V. repairman. One day he discovered a book that ultimately changed his entire life trajectory -- The Prospect of Immortality by Professor Robert Ettinger. From it, he learned about cryonics: a process in which the body temperature is lowered during the beginning of the dying process to keep the brain intact, so that those frozen could potentially be reanimated in the future. A world of possibilities unfolded for Nelson, as he relentlessly pursued cryonics and became the founder and President of the Cryonics Society of California. Working in coalition with a biophysicist, in 1967 Nelson orchestrated the freezing of Dr. James Bedford, the first human to be placed in cryonic suspension. Soon thereafter he began freezing others who sought his help, obtaining special capsules and an underground vault. Underfunded, Nelson struggled desperately, often dipping into his own savings, and taking extraordinary measures to maintain his patients in a frozen state. His fascinating memoir reveals his irrepressible passion for life and chronicles the complicated circumstances that comprised his adventures in cryonics.

180 Ways to Walk the Recognition Talk Eric Harvey 2000 Old Money, New West Jack L. August 2021-11-19 By 1994, Arizona Governor Fife Symington was arguably the hottest young star in the Republican Party - a lively, articulate young star in the Republican Party -- a lively, articulate voice for a new breed of culturally moderate conservatives perfectly positioned for a US Senate run and perhaps a shot at the presidency in 2000. Instead, earlier decisions and mistakes he made as his real estate empire collapsed amid the Savings and Loan Crisis would torpedo his political career, bankrupt him, and place him at the doorstep of federal prison. Then a new century - along with a preemptive presidential pardon from President Bill Clinton - brought new hope and opportunities as well as international fame in the world of UFO research. While unique, Symington's story is also an American story. Born into one of the wealthiest families in America, Symington could have hunkered down in old-money leisure. Instead, he left the country to fight in Southeast Asia and then, like millions of Americans before him, went to make his name amid yet another boom in the American West. He brought his old-school conservative fiscal philosophies with him, but soon found himself at war with the cultural conservatives within his own party, particularly on issues of immigration and the environment. Symington was an early pioneer in successfully navigating what is now an existential threat for moderates in the Republican Party: how to govern with conservative-leaning values without kowtowing to the worst instincts of the radicalized, nativist right.

The Carrot Principle Adrian Gostick 2012-12-11 Newly updated to include information for the UK, The Carrot Principle illustrates how ordinary organizations have made themselves extraordinary through the use of strategic employee recognition. The authors show how great organizations and great managers succeed through living the Carrot Principle. Featuring case studies of effective recognition in some of the world's most successful organizations, such as DHL, Avis, Pepsi, etc. and demonstrating how recognition has led to improved employee commitment and bottom line results in these companies, the book also shows how a Carrot Culture is not created by the CEO, senior leadership team or HR department, but manager by manager. The book provides examples of leaders - from around the globe - who lead through the Carrot Principle: providing plentiful how-to's for managers wishing to get started or hoping to enhance their recognition abilities. Overall, there has never been a book in the recognition or motivation space that has had this type of quantitative or case study support.

Make Their Day! Cindy Ventrice 2003 Written from the employees' viewpoint, this book explains why good working relationships form the core of effective workplace recognition.

Send Flowers to the Living! T. J. Schier 2002-01-01 Provides insight into the management of personnel for companies of any size and function, and reveals the benefits of rewarding and encouraging employees to boost production and morale.

This book provides you with straightforward advice and up-to-the-minute strategies for dealing with anything that comes your way.

The 1001 Rewards & Recognition Fieldbook Bob Nelson 2002-01-15 Author of the Business Week million-copy bestseller, 1001 Ways to Reward Employees, Bob Nelson is the motivational specialist who helps businesses stay competitive by teaching them how to inspire their employees to excel. Now joined by Dr. Dean Spitzer, senior consultant and performance improvement expert for IBM, Nelson distills the knowledge, experience, and
ideas gained from working with thousands of organizations into a hands-on, practical fieldbook. Beginning with the basics of motivation, including the decline of traditional incentives and the trend toward empowered employees, the book lays the groundwork for developing and managing a rewards or recognition program in any work situation: how to recognize an individual or a group; how to develop a low-cost recognition program; how to sell it to upper management, prevent and fix common problems, and assess its effectiveness. There are planning worksheets, templates for different purposes?improving morale, improving attendance, increasing retention?plus perforated reference cards for immediate guidance, and 101 new low-cost/no-cost recognition ideas. Running through the margins are Nelson's answers to the questions most frequently asked since the publication of 1001 Ways to Reward Employees. 1001 Ways to Reward Employees Bob Nelson 1994-01-01 Why is 1001 Ways to Reward Employees, with over 1.4 million copies in print, such an extraordinary bestseller? Because a little over ten years ago Bob Nelson took the seeds of an idea and turned it into something indispensable for business. The idea? That it's not a raise that motivates an employee, and it's not a promotion—what really sparks a person to perform are the unexpected, unexpected rewards that are not expected. Such an appreciation for a job well done. Now, after having worked with thousands of organizations in the years since 1001 Ways to Reward... was first published, Bob Nelson presents a second edition packed with hundreds of new ideas and examples of how companies are using rewards and recognitions to boost productivity and keep their valued employees happy. Airplane mechanics are rewarded with balloons and pinwheels. Another manager called his employees' mothers and thanks them for raising such industrious children. There are ideas from the office (The Margarita Award) to the company-wide (a quiet room) to the embarrassingly simple (a hand-written thank you note) to the wacky (the Laugh-A-Day Challenge) to the formal (a two-week promotion to special assistant to the president). Each section includes no-cost rewards and low-cost rewards, both public and private, making this new edition an indispensable resource for making the person/achievement/reward equation work. Please Don't Just Do What I Tell You, Do What Needs to Be Done Robert B. Nelson 2001-10-03 The author of the million-copy-selling 1001 Ways series shows how to get ahead by fulfilling every employee's ultimate expectation. This book contains a clear message: Every boss wants an effective worker to do what most needs to be done without having to be asked. Simple? Perhaps. Easy Not on your life. But thanks to Bob Nelson, employers and employees everywhere will be empowered by this vital message, and in the process achieve their goals and create a mutually rewarding experience. As brief, to the point, and inspiring as his previous best-selling titles, Nelson's commonsense advice can be applied to any situation, from the mailroom to the boardroom, and is illustrated with anecdotes and quotations from real life. Helping readers tap into their own intelligence, resourcefulness, and pride, Nelson demonstrates how acts of initiative both big and small can create an enormous difference in the way an employee is viewed and rewarded by his or her boss; he also shows how the effects of those actions benefit the entire organization. Its a perfect first day on the job book; a useful resource for any HR department; and a worthwhile investment for anyone who wants to learn more and go further in a job, in a career, and in life. 1501 Ways to Energize Employees Bob Nelson 2012-03-27 Today more than ever, businesses need fresh ideas to nurture talent and retain employees—enter 1,501 Ways to Reward Employees, thoroughly revised, updated, and even more chockablock with ideas than 1,001 Ways to Reward Employees, the groundbreaking national bestseller. Adapted to meet the needs of an evolving workplace—especially to deal creatively with virtual employees, freelancers and permlancers, international colleagues, and the rule-bending expectations of millennials—its 1,501 low-and no-cost rewards and strategies are drawn from thousands of companies across the globe. Ideas range from the informal (Wells Fargo's thank-you e-cards) and the offbeat (JS Communications two free "I Don't Want to Get Out of Bed" Days) to the formal (J. C. Penney "affirms" new managers in a moving ceremony) to the totally nutty (the legendary honor of giving your office "sodded"—literally, grassed over—at Microsoft). For bosses, managers, entrepreneurs, small-business owners, consultants—anyone who’s responsible for working successfully in an ever-tougher economy—this is the rewards bible. Why Don't You Want what I Want? Rick Maurer 2002 Outlines five principles of engagement that enable readers to put their ideas into action while successfully persuading others to support those ideas, providing interviews with such figures as Senator George Mitchell, Alan Alda, Alan Rakham, and Lynne Jacobs. Original. The WOW! Workplace Mike Byam 2008-01-01 From the author of Emotional Intelligence comes an in-depth look at how new business strategies and a new workplace environment are creating a workplace revolution. These strategies are drawing from thousands of companies across the globe. bestselling author of 1001 Ways to Reward Employees and 1001 Ways to Energize Employees, with over 900,000 copies in print.

**It's Your Move**

Cyndi Maxey 2003-09 From the coauthor of "Training from the Heart" comes a motivational book on living one's best life at home or at work.

**Work Made Fun Gets Done!**

Bob Nelson 2021-05-11 Bob Nelson, author of the multimillion-copy bestseller 1001 Ways to Reward Employees, and human performance expert Bob Stepanski, who has earned the nickname "Tango" offer hundreds of practical, creative tips for helping employees—and their managers—make work more fun. According to the employees that work for firms listed in Fortune's "100 Best Companies to Work for in America," the most defining characteristic of these organizations is they are all "fun" places to work. Fun is the secret sauce every business needs to better engage and motivate its employees today. Work Made Fun Gets Done! gives readers simple, practical ideas for instantly bringing fun into their work and workplace. Bob Nelson's examples from scores of companies like Zoom, Pinterest, Bank of America, Zappos, Honda, Microsoft, and many more, this book provides clear examples of exactly what managers and employees alike can do to lighten the tone in the work environment and allow employees to have more fun at work. From AAA's "Dump a Dog" program where workers can pass their least-wanted project on to their manager and Houzz's complimentary office slippers to CARFAX's themed-wardrobe Zoom meetings and Google's company-approved Nerf-gun battles and paper airplane contests, you'll find dozens of ideas you can immediately adapt and implement in your own workplace. Work and fun have typically been considered polar opposites, but this book proves they can be integrated in ways that produce more motivated workers—and exceptional results.

**1,001 Ways to Engage Employees**

Bob Nelson 2018-07-23 "Share these ideas with key members of your company. Together, select a half-dozen ideas that resonate with all of you. Next, devise a plan to systematically implement these. **Consulting For Dummies**

Bob Nelson 2011-01-31 Consulting For Dummies, 2nd Edition includes a reorganization and narrower focus of the topic, with new or updated information that delves into the specifics of running your own consulting business. There is greater emphasis on the business of consulting, along with financial and legal issues involved in setting up a consulting business, deepening coverage of consulting proposals, and entirely new chapters on higher-level consulting issues that more-established consultants are demanding. The Gifted Boss Revised Edition Dale Dauten 2011-05-17 What's your employee's environment? Are they working from home? Are they working in a high energy environment? Ever wonder what the best bosses know that you don't? Do you want to have great employees, people who don't need to be managed and who make everyone around them work harder and raise the department to a higher standard? The Gifted Boss is management guru Dale Dauten's classic--yet revolutionary--guidebook on teaching managers how to spot and court talent and how to give great employees what they want and need. This is a comprehensive system full of valuable insight and lessons aimed at creating the best work environment for the best people's best people. Throughout The Gifted Boss, Dale Dauten defines his different breed of leader as one who is able to shape a business environment and culture that is a magnet for self-motivated employees. Dauten's starting point is a powerful fact about hiring great employees: the best ones are almost never in the job market. His
system also includes a discussion of "ideal turnover" and how the great managers employ "the secret skill" of "de-hiring" to gracefully move mediocre employees up or out. Throughout his discussions, Dauten incorporates priceless knowledge gained from an exhaustive search for America's best bosses. The wisdom he acquired was startling, and it pertained to every type of organization: "Different isn't always better, but better is always different." The Gifted Boss has already earned itself a cult following. Now, based on conversations with hundreds of readers, Dauten has revised his work by adding a quick-start guide to help his audience get fast results and a discussion guide to help executives share the book with their teams. Though new technology continues to bring new changes to communication in the workplace, The Gifted Boss still remains the essential guide to maneuvering the tricky world of managing the modern employee. It belongs on every businessperson's desk.

Motivating Moments Mary Rau-Foster 2004 "This book bind together many of the topics that I write about each week in an international motivational column...These lessons are designed to provide insights, provoke thought, and offer guidance to overcoming some of the challenging situations in our lives.

1001 Ways to Energize Employees Bob Nelson 1997-05-01 Take the brakes off your business. In the perfect follow-up to 1001 Ways to Reward Employees, the innovative book that has sold over one million copies, Bob Nelson reveals what real companies across America are doing to get the very best out of their employees-and why it's the key to their success. Energizing is listening-AT&T's Universal Card Service's employee suggestion system yields 1,200 ideas a month and millions of dollars in savings. Energizing is encouraging risk-taking-Hershey Foods gives out The Exalted Order of the Extended Neck Award. Energizing is Starbucks' making employees partners, Saturn creating teams that function as independent small businesses, Springfield Remanufacturing's opening its books to all employees. With case studies, examples, techniques, research highlights, and quotes from business leaders, 1001 Ways to Energize Employees is invaluable for managers seeking to increase employee enthusiasm and involvement.

1501 Ways to Reward Employees Bob Nelson 2012-01-01 Suggests ways of motivating employees by recognizing their accomplishments, including both formal and informal rewards; individual and group rewards; and special events, incentives, and contests.

The 5 Languages of Appreciation in the Workplace Gary Chapman 2019-01-01 Based on the #1 New York Times bestseller The 5 Love Languages® (over 12 million copies sold), Dramatically improve workplace relationships simply by learning your coworkers' language of appreciation. This book will give you the tools to improve staff morale, create a more positive workplace, and increase employee engagement. How? By teaching you to effectively communicate authentic appreciation and encouragement to employees, co-workers, and leaders. Most relational problems in organizations flow from this question: do people feel appreciated? This book will help you answer "Yes!" A bestseller—having sold over 300,000 copies and translated into 16 languages—this book has proven to be effective and valuable in diverse settings. Its principles about human behavior have helped businesses, non-profits, hospitals, schools, government agencies, and organizations with remote workers. PLUS! Each book contains a free access code for taking the online Motivating By Appreciation (MBA) Inventory (does not apply to purchases of used books). The assessment identifies a person's preferred languages of appreciation to help you apply the book. When supervisors and colleagues understand their coworkers' primary and secondary languages, as well as the specific actions they desire, they can effectively communicate authentic appreciation, thus creating healthy work relationships and raising the level of performance across an entire team or organization. Take your team to the next level by applying The 5 Languages of Appreciation in the Workplace.

Please Don't Just Do What I Tell You Bob Nelson 2014-01-20 'Simple, smart and savvy - this book shows employees how to reach for the sky and use initiative they never knew was there.' Dr Stephen Covey, author of The 7 Habits of Highly Effective People. From Bob Nelson, the author of the million copy selling 1001 Ways series, Don't Just Do What I Tell You, Do What Needs to be Done is about fast tracking or getting ahead by fulfilling an employer's ultimate expectation - that you'll figure out what needs to be done and take the initiative to do it. With direct advice and fascinating anecdotes about people who have taken initiative and been rewarded. The book is short, easy-to-read and inspiring and includes advice on how to: --suggest ways to save money--turn problems into opportunities --collect your own data, develop alternatives, and build support for your ideas --be a person that makes things happen--avoid the 'blame game' --persist when obstacles arise
