**Payback's a Witch**-Lana Harper 2021 Chilling Adventures of Sabrina meets The L Word in this fresh, sizzling rom-com by Lana Harper. Emmy Harlow is a witch but not a very powerful one—in part because she hasn't been home to the magical town of Thistle Grove in years. Her self-imposed exile has a lot to do with a complicated family history and a desire to forge her own way in the world, and only the very
tiniest bit to do with Gareth Blackmoore, heir to the most powerful magical family in town and casual breaker of hearts and destroyer of dreams. But when a spellcasting tournament that her family serves as arbiters for approaches, it turns out the pull of tradition (or the truly impressive parental guilt trip that comes with it) is strong enough to bring Emmy back. She's determined to do her familial duty; spend some quality time with her best friend, Linden Thorn; and get back to her real life in Chicago. On her first night home, Emmy runs into Talia Avramov--an all-around badass adept in the darker magical arts--who is fresh off a bad breakup . . . with Gareth Blackmoore. Talia had let herself be charmed, only to discover that Gareth was also seeing Linden--unbeknownst to either of them. And now she and Linden want revenge. Only one question stands: Is Emmy in? Propelled into the past to her old Los Angeles fortune-telling shop, Jolie has no idea she possesses extraordinary powers, and she definitely doesn’t remember becoming Queen of the Underworld. But at least she has two incredibly sexy men vying for her affection: Rand Balfour, who looks very familiar, though Jolie can’t place his gorgeous face, and Sinjin Sinclair, who is tall, dark, and perfect . . . except for the fangs. Yet despite her steamy love life, Jolie can’t shake the sense that something is not quite right—like she’s stuck in a déjà vu gone terribly awry. As both men race against time—and each other—to win Jolie’s heart, the fate of the Underworld hangs in the balance. **Any Witch Way You Can**-Amanda M. Lee 2013-01-18 Bay Winchester is having a tough week. As the local editor of Hemlock Cove's only newspaper, she just happens to be present when a body is found in an area corn maze. To make matters worse, the police believe the murder may have something to do with the occult. This wouldn't be a problem for a normal reporter, but since Bay is descended from a well-known line of actual witches, the town is understandably on edge. Between the suspicious townspeople, the befuddled police presence, and that random hot biker guy who may or may not have something to do with the murder -- Bay has her hands full. When you add the typical family problems, multiplying ghosts -- and one monster of a zit that she's sure came from her aunt's curse -- Bay is just struggling to make it through the week. Of course, when the killer sets his sights on Bay, things could get a whole lot worse.

**Everyone Knows Your Mother Is a Witch**-Rivka Galchen 2021-06-08 Drawing on real historical documents but infused with the intensity of imagination, sly humor, and intellectual fire for which award-winning author Rivka Galchen’s writing is known, Everyone Knows Your Mother Is a Witch is a tale for our time—the story of how a community becomes implicated in collective aggression and hysterical fear. The year is 1619, in the German duchy of Württemberg. Plague is spreading. The Thirty Years War has begun, and fear and suspicion are in the air throughout the Holy Roman Empire. In the small town of Leonberg, Katherina Kepler is accused of being a witch. An illiterate widow, Katherina is known by her neighbors for her herbal remedies and the success of her children, including her eldest, Johannes, who is the Imperial Mathematician and renowned author of the laws of planetary motion. It’s enough to make anyone jealous, and Katherina has done herself no favors by being out and about and in everyone’s business. So when the deranged and insipid Ursula Reinbold (or as Katherina calls her, the Werewolf) accuses Katherina of offering her a bitter, witchy drink that has made her ill, Katherina is in trouble. Her scientist son must turn his
attention from the music of the spheres to the job of
defending his mother. Facing the threat of financial ruin,
torture, and even execution, Katherina tells her side of the
story to her friend and next-door neighbor Simon, a
reclusive widower imperiled by his own secrets. Provocative
and entertaining, Galchen’s bold new novel touchingly
illuminates a society, and a family, undone by superstition,
the state, and the mortal convulsions of history.

The Brotherhood-TL Schaefer Sheriff Doug Brewster's peaceful life is torn apart when a local militia member is found murdered and marked with a ritualistic bruise. While disturbing, he handles it as he would any other case, until he discovers his best friend, Josie Galloway, shares the same bizarre mark. Josie is happy to accept her role as the local 'color'--as a Wiccan Priestess she expects no less. But when she begins to share the dreams of a dead man--and the Celtic symbol that marked him in death--she begins to fear for her own sanity. Joining forces, they dodge a sadistic killer from Josie’s past and unravel the tangle of secrecy and
lies behind the Nazi-driven ideals of a white supremacist cult. What neither of them bargains on are the dark secrets they will uncover or how their feelings for each other will change from friendship to something far more powerful.

**Twitchy Witchy Itch**-Priscilla Tey 2021-07-13 Visual hijinks abound as a nervous witch gets swept away with trying to tidy up before company comes--only to discover that being with friends is what really matters. Tick, tock! Three cups. Tick, tock! Three saucers. With nine minutes left, everything was ready. Or was it? Itch the witch is having company over for tea. As the clock counts down to tea o'clock, Itch's mind is in a tizzy: is her house too twitchy? Is her home too itchy? Zipping and zooming, dusting and brooming, Itch sweeps and bewitches the mess away (just in the nick of time). But as soon as her two guests walk in, Itch's housekeeping comes unraveled. How will Itch tame such an itchy, glitchy, fidgety mess? Rising star Priscilla Tey uses computer-aided design (and evokes familiar computer glitches) to present a delightfully meta, intricately illustrated story that dazzles as it amuses.
