Themes In Tess Of The D’Urbervilles

-Thomas Hardy

2013

Tess of the d’Urbervilles or just Tess, is a novel by Thomas Hardy. Though now considered an important work of English literature, the book received mixed reviews when it first appeared, in part because it challenged the sexual mores of Hardy’s day. Hardy’s writing often illustrates the “ache of modernism”, and this theme is notable in Tess, which, as one critic noted, portrays “the energy of traditional ways and the strength of the forces that are destroying them.” Hardy describes modern farm machinery with infernal imagery; also, at the dairy, he notes that the milk sent to the city must be watered down because the townspeople cannot stomach whole milk. Amyot’s middle-classFastidiousness makes him reject Tess, a woman whom Hardy often portrays as a sort of Wessex Eve, in harmony with the natural world. When he parts from her and goes to Brazil, the handsome young man goes to see if he can find a “more yellow olive”. All these features are typically interpreted in indications of the negative consequences of man’s separation from nature, both in the creation of destructive machinery and in the inability to rejoice in pure nature. Another important theme of the novel is the sexual double standard to which Tess falls victim, despite being, in Hardy’s view, a truly good woman, she is despised by society after losing her virginity before marriage. Hardy plays the role of Tess’s only true friend and advocate, pointedly calling the book “a pure woman faithfully presented” and quoting it with Shakespeare’s words from The Two Gentlemen Of Verona: “Poor wretched knight! My nose as a beard Shall judge thee.” However, although Hardy clearly means to criticize Victorian notions of female purity, the double-standard also makes the heroine’s triumph possible, and thus serves as a mechanism of Tess’s broader life. Hardy variation hints that Tess must suffer either to atone for the misdeeds of her ancestors, or to provide temporary amusement for the gods, or because she possesses some small but lethal character flaw inherited from the ancient past.

Themes in Tess Of The D’Urbervilles

The power of history to shape the future is evident in Thomas Hardy’s Tess of the d’Urbervilles. The novel’s protagonist is a young woman who, through no fault of her own, is forced to face the consequences of social and economic forces beyond her control. Hardy’s keen insight into the complexities of human nature is on full display as he explores the themes of guilt, redemption, and the struggle against one’s destiny.

Tess of the d’Urbervilles

Thomas Hardy 1891

Tess of the d’Urbervilles is a novel by Thomas Hardy. The novel was first published in serial form in 1891 and then in book form in 1892. The novel is set in the early 19th century and tells the story of Tess Durbeyfield, a poor farm girl who is forced to marry a d’Urberville nobleman to save her family from poverty. However, Tess soon finds out that the d’Urberville family is not what she naively thought it was, and she must struggle to survive in a world that does not value women.
