the modern Western discourse, the author highlights the significant questions that concern traditional historians, their philosophical foundations, their development over three thousand years and their influence on the intelligentsia. China is a country defined in terms of its history and its historians have worked hard to record the past. However, this book approaches Chinese history from the very beginning not only as a way of recording, but also as a way of dealing with the past in order to orient the people of the present in the temporal dimension of their lives. This book was listed as the key textbook of the "Eleventh Five-year Plan" for college students in China.

Battles of the New Republic

Prashant Jha 2014-01-12 Battles of the New Republic: A Contemporary History of Nepal is a story of Nepal’s transformation from war to peace, monarchy to republic, a Hindu kingdom to a secular state, and an unitary to a potentially federal state. Partly based on first-hand accounts, part-memoir, and part-biography of the key characters, the book breaks new ground in political writing from the region. With access to the most powerful leaders in the country as well as diplomats, it gives an unprecedented glimpse into Kathmandu’s high politics. But this is coupled with ground-level reportage on the lives of ordinary citizens of the hills and the plains, striving for a democratic, just and equitable society. It tracks the hard grind of political negotiations at the heart of the instability in Nepal. It traces the rise of a popular rebellion, its integration into the mainstream, and its ultimate demise. It investigates Nepal’s status as a partly-sovereign country, and even India’s overwhelming role. It examines the angst of having to prove one’s loyalties to one’s own country, and exposes the Hindu hill upper-caste dominated power structures. Battles of the New Republic is a story of the deepening of democracy, of the death of a dream, and of that fundamental political dilemma - who exercises power, to what end, and for whose benefit.

Law Addressing Diversity

Gijs Kruijtzer 2017-09-25 Of late, historians have been realising that South Asia and Europe have more in common than a particular strand in the historiography on “the rise of the West” would have us believe. In both world regions a plurality of languages, religions, and types of belonging by birth was in premodern times matched by a plurality of legal systems and practices. This volume describes case-by-case the points where law and social diversity intersected.

The Path to the Throne of God

Sarah Elizabeth Peck 2014-04 This study of the sanctuary aims to give the reader an overall view of the entire sanctuary, including the earthly and the heavenly sanctuaries, and reaching its climax in the temple eternal, the earthly model as constructed by Moses, being a type or illustration of both the others. It also aims to make plain that the sanctuary symbolizes not only the redemptive work of Christ, but also the Christian experience of each of His followers, and of the church as a whole.

From Blood and Ash

Jennifer L. Armentrout 2021-05 Captivating and action-packed, From Blood and Ash is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in the descent of the world, Poppy has been groomed since the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with something she's not even quite sure she wants for herself.
forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel. National governments and the global community have a duty to safeguard the world we live in.

Asian Interventions in Global Shakespeare

Poonam Trivedi 2020-11-16 This volume critically analyses and theorises Asian interventions in the expanding phenomenon of Global Shakespeare. It interrogates Shakespeare’s ‘universality’ from Asian perspectives: how this has been modified or even replaced by the ‘global bard’ as a recognisable brand, and how Asian Shakespeareans have contributed to or subverted this process by both facilitating the worldwide dissemination of the bard’s plays and challenging and resisting the very templates through which they become globally legible. Critically acclaimed Asian productions have prominently figured at premier Western festivals, and the threat of appropriating Shakespeare, manga and anime have created new kinds of globally accessible Shakespeare. Essays in this collection engage with the emergent critical issues: the efficacy of definitions of the ‘local’, ‘global’, ‘transnational’ and ‘cosmopolitan’ and of the liminalities and mobilities in between. They further examine the politics of ‘West’ and ‘East’, the evolving markers of the ‘Asian’ and the equation of the ‘global’ with the ‘Asian’; they attend to performance and archiving protocols and bring the current debates on translation, appropriation, and world literature to speak to the concerns of global and transnational Shakespeare. These investigations also explore recent innovative Asian theatre productions, popular cinematic and manga appropriations and the increasing presence of Shakespeare in the Asian digital sphere. They provide an Asian standpoint and lens in rereading the processes of cultural globalisation and the mobilisations of Shakespeare.

The Ministry of Healing

Ellen Gould Harmon White 1905

The Sword of Islam

Arthur Naylor Wollaston 1905

The Sword of Islam by Arthur Wollaston Naylor, first published in 1905, is a rare manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleansed by state-of-the-art publishing tools for better readability and enhanced appreciation. Restoration Editors’ mission is to bring long out of print manuscripts back to life. Some smudges, annotations or unclear text may still exist, due to permanent damage to the original work. We believe the literary significance of the text justifies offering this reproduction, allowing a new generation to appreciate it.

Soldiers and Warriors

Jack Coggins 2006-10-06

This cracking survey of military might from ancient Egypt to the modern era spotlights frontline foot soldiers and their weapons, uniforms, tactics, and training. 250 black-and-white illustrations.

The Political Writings of Alexander Hamilton: Volume 2, 1789–1804

Alexander Hamilton 2017-11-30

Volume II: 1789–1804: Few of America’s founders influenced its political system more than Alexander Hamilton. He played a leading role in writing and ratifying the Constitution, was de facto leader of one of America’s first two political parties, and was influential in interpreting the scope of the national government’s constitutional powers. This comprehensive collection provides Hamilton’s most enduringly important political writings, covering his entire public career, from 1775 to his death in 1804. Readers are introduced to Hamilton - in his own words - as defender of the American cause, as an early proponent of a stronger national government, as a founder and protector of the American Constitution, as the nation’s first secretary of the treasury, as President George Washington’s trusted foreign policy advisor, and as a leader of the Federalist Party. Presented in a convenient two-volume set, this book provides a unique insight into the political ideas of one of America’s leading founders; a must-have reference source.

Kathmandu

Thomas Bell 2016-04-15

One of the greatest cities of the Himalaya, Kathmandu, Nepal, is a unique blend of thousand-year-old cultural practices and accelerated urban development. In this book, Thomas Bell synthesizes his experience from his many years in the city—exploring in the process the rich history of Kathmandu and its many instances of self-reinvention. Closed to the outside world until 1951 and trapped in a medieval time warp, Kathmandu is, as Bell argues, a jewel of the art world, a carnival of sexual license, a hotbed of communist revolution, a paradigm of failed democracy, a case study in bungled western intervention, and an environmental catastrophe. In important ways, Kathmandu’s rapid modernization can be seen as an extreme version of what is happening in other traditional societies. Bell also discusses the ramifications of the recent Nepal earthquake. A comprehensive look at a top global destination, Kathmandu is an entertaining and accessible chronicle for anyone eager to learn more about this fascinating city.

India-Nepal Relations Under Chinese Influence: An Analytical Perspective

Akhilesh Dwivedi 2021-09-07

The India-Nepal relations are generations old with centuries-old social-cultural, historical, and geographic connections. India has consistently responded to the needs of the people and the Government of Nepal to ensure the success of the peace process. This book focuses on India-Nepal relations with the influence of Chinese presence on the territory of Nepal. It discusses the historical, cultural, and political issues that have shaped the relationship between India and Nepal. The book also examines the role of China in Nepal's foreign policy and the impact of Chinese investments on Nepal's economy. It provides a comprehensive analysis of the current state of India-Nepal relations and the challenges that lie ahead. The book is a valuable resource for scholars, policymakers, and professionals interested in the history and contemporary developments of India-Nepal relations.

India-Nepal Relations Under Chinese Influence: An Analytical Perspective

Akhilesh Dwivedi 2021-09-07

The book evaluates India-Nepal relations on the historical & cultural perspectives and contemporary issues. The book facilitates further exploration in this domain in the immediate future. The book affords a comprehensive scan of India-Nepal relations.

All Power to the Councils!

2012-06-07

The German Revolution erupted out of the ashes of World War I, triggered by mutinying sailors refusing to be sacrificed in the final carnage of the war. While the social democrats grabbed power, radicals across the country rallied to establish a communist society under the slogan "All Power to the Councils!" The Spartacist League launched an uprising in Berlin, council republics were proclaimed in Bremen and Bavaria, and workers' revolts shook numerous German towns. Yet in an act that would tragically shape the course of...
history, the Social Democratic government crushed the rebellions with the help of right-wing militias, paving the way for the ill-fated Weimar Republic—and ultimately the ascension of the Nazis. This definitive documentary history collects manifestos, speeches, articles, and letters from the German Revolution—Rosa Luxemburg, the Revolutionary Stewards, and Gustav Landauer among others—introduced and annotated by the editor. Many documents, such as the anarchist Erich Mühsam's comprehensive account of the Bavarian Council Republic, are presented here in English for the first time. The volume also includes materials from the Red Ruhr Army that repelled the reactionary Kapp Putsch in 1920 and the communist bandits that roared Eastern Germany until 1921. All Power to the Councils! provides a dynamic and vivid picture of a time of great hope and devastating betrayal.

**Christian Worldview Handbook**

David S Dockery 2019-11-01 The Christian Worldview Handbook features over 100 articles by notable Christian scholars to help Christians better understand the grand narrative and flow of Scripture within the biblical framework from which we are called to view reality and make sense of life and the world. Guided by general editors David S. Dockery and Trevin K. Wax, this handbook is an invaluable resource and study tool that will help you to discuss, defend, and clearly share with others the truth, hope, and practical compatibility of Christianity in everyday life. Contributors include: Jason K. Allen, Bruce Riley Ashford, Darrell L. Bock, Ted Cabal, Graham A. Cole, C. John Collins, Paul Copan, Choon Sam Fong, Gregory B. Forster, Timothy George, Douglas Groothuis, George H. Guthrie, Thomas S. Kidd, Steve Lemke, Jennifer A. Marshall, R. Albert Mohler Jr., Russell D. Moore, Christopher W. Morgan, David K. Naugle, Mark A. Noll, Karen Swallow Prior, Mary J. Sharp, Kevin Smith, Robert Smith Jr., John Stonestreet, Carl R. Trueman, Malcolm Yarnell III, Christopher Yuan, and more.

**Anvil of God**

J. Boyce Gleason 2013 After subduing the pagan religions in the east, halting the march of Islam in the west, and conquering the continent for the Merovingian kings, mayor of the palace Charles the Hammer has one final ambition—the throne. Only one thing stands in his way—he is dying. Charles cobbles together a plan to divide the kingdom among his three sons, betroth his daughter to a Lombard prince to secure his southern border, and keep the Church unified behind them through his friend Bishop Boniface. Despite his best efforts, the only thing to reign after Charles’s death is chaos. His daughter has no intention of marrying anyone, let alone a Lombard prince. His two eldest sons question the rights of their younger pagan stepbrother, and the Church demands a steep price for their support. Son battles son, Christianity battles paganism, and Charles’s daughter flees his court for an enemy’s love. Based on a true story, Anvil of God is a whirlwind of love, honor, sacrifice, and betrayal that follows a bereaved family’s relentless quest for power and destiny.

**Dark Journey**

Elaine Cunningham 2002 Following intense personal loss, Jaina Solo descends to the dark side, determined to take her revenge on the Yuuzhan Vong. In the process, she learns something new about how to fight the alien invaders, but she must also remember that revenge is not the way of the Jedi—even when it seems the only way to fight the enemy.

The Bloodstained Throne is a translation of Aba Yasto Kahilyai Nahos, a compilation of historic essays that recount some of the bloody battles for power in a tumultuous period - a phase that spanned more than one hundred years. This tale of the machinations, massacre and bloodletting that rocked Nepal's power centre - the royal palace - will give you a rare and fascinating glimpse into one of the least-known and most violent power struggles that South Asia has ever seen.
