It's Raining Frogs and Fishes-Jerry Dennis 2013-11-22 It's Raining Frogs and Fishes is a generously illustrated inquiry into wonders of the sky: Why is the sky blue? Where do meteors originate? What causes rainbows, mirages, and the colors of the sunset? Why do some birds and insects migrate, and how do they navigate over hundreds or thousands of miles to do it? How have civilizations throughout history viewed the aurora borealis, tornadoes, eclipses, and the bizarre but well documented cases of fish, reptiles, snails, and even snakes that have rained to earth? Author Jerry Dennis and illustrator Glenn Wolff approach such questions with curiosity and wit, and suggest ways to observe first-hand extraordinary weather, astronomical anomalies, and odd and interesting wildlife of the skies. This updated edition of the national bestseller is a spellbinding look into the natural world's most fascinating and baffling phenomena, with illustrated explanations of rainbows, meteors, sunsets, hurricanes, the northern lights, bird and insect flight, and dozens of other curiosities. Subjects are arranged by season, and each is discussed in a concise and entertaining style that blends the most recent scientific findings with historical anecdotes, personal observations, and examples of the lore and superstitions that have always surrounded phenomena of the skies. PRAISE: "Amusing and illuminating...This writer-artist team shines a bright and lovely light on nature." —Los Angeles Times "Charming, informative, humorous, and scholarly... embraces wind and weather, the sun, the moon and stars, the seasons of the year and the effect of these things on the denizens of this planet. It is a delight." —Nelson Bryant, columnist for The New York Times "Vastly entertaining, valuable... Makes natural history so much fun the reader is sucked from paragraph to paragraph, page to page, chapter to chapter." —St. Louis Post-Dispatch "This delightful look at nature...is a cornucopia of fact and lore. Wit, humor, wonder, and reverence spice and season the vignettes herein. It's Raining Frogs and Fishes reminds adults — especially in this hectic, fast-paced, just-do-it world — that it is more than OK, it is desirable, to be child-like and to look up at the heavens and ask why." —Toledo Blade

After Rain-William Trevor 2010-12-22 Here is a new collection of twelve absorbing, deeply compassionate tales that reveal the subtle revenges of love and indifference, the deep wells of affection, and the strange, breathtaking tricks of chance that make up the texture of our lives. In the rain-washed Italian hills, a forgotten artist's Annunciation brings light to a heartbroken woman; insidiously, in her struggle for love, the second wife of a blind piano tuner distorts his memories of the first; two children, survivors of divorce, mimic their parents' dramas and passions; a mother, tied through love and fear to her son, watches with helpless dread as she realizes the monster he has become.

Sometimes I'm Bombaloo-Rachel Vail 2016-05-31 A warm book about losing your temper, and how to feel like yourself again. With its bright illustrations and sweet story, this title is the perfect read aloud for librarians, teachers, and parents. Five-year-old Katie is a good kid -- most of the time. But sometimes...well, sometimes, say when her little brother knocks down her beautiful castle after she told him not to touch it and she knows she'll never be able to make it look that good again...sometimes Katie gets so mad she's Bombaloo, she's just not herself. Being Bombaloo is scary. But a little time out and a lot of understanding from Mom help Bombaloo calm down. And cleaning up the mess that Bombaloo made, then sharing hugs and sorries with her family, help Katie feel like Katie again.

The Colors of the Rain-R. L. Toalson 2018-09-18 This historical middle grade novel written in free verse, set against the backdrop of the desegregation battles that took place in Houston, Texas, in 1972, is about a young boy and his family dealing with loss and the revelation of dark family secrets. Ten-year-old Paulie Sanders hates his name because it also belonged to his daddy—his daddy who killed a fellow white man and then crashed his car. With his mama unable to cope, Paulie and his sister, Charlie, move in with their Aunt Bee and attend a new elementary school. But it's 1972, and this new school puts them right in the middle of the Houston School District's war on desegregation. Paulie soon begins to question everything. He hears his daddy's crime was a race-related one; he killed a white man defending a black man, and when Paulie starts picking fights with a black boy at school, he must face his reasons for doing so. When dark family secrets are revealed, the way forward for everyone will change the way Paulie thinks about family forever. *The Colors of the Rain* is an authentic, heartbreaking portrait of loss and human connection during an era fraught with racial tension set in verse from debut author R. L. Toalson.

Drizzle-Kathleen Van Cleve 2010-03-04 Eleven-year-old Polly Peabody knows her family's world-famous rhubarb farm is magical. The plants taste like chocolate, jewels appear in the soil, bugs talk to her, and her best friend is a rhubarb plant named Harry. But the most magical thing is that every single Monday, at exactly 1:00, it rains. Until the Monday when the rain just stops. Now it's up to Polly to figure out why—and whether her brother's mysterious illness and her glamorous aunt Edith's sudden desire to sell the farm have anything to do with it. Most of all, Polly has to make it start raining again before it's too late. Her brother's life, the plants' survival, and her family's future all depend on it. Kathleen Van Cleve has woven an unforgettable coming-of-age tale with all the heart and wonder of a Roald Dahl novel.

A Swim in a Pond in the Rain-George Saunders 2021-01-12 NEW YORK TIMES BESTSELLER • From the Booker Prize-winning author of *Lincoln in the Bardo* and *Tenth of December* comes a literary master class on what makes great stories work and what they can tell us about ourselves—and our world today. “One of the most accurate and beautiful depictions of what it is like to be inside the mind of a writer that I’ve ever read.”—Parul Sehgal, *The New York Times* For the last twenty years, George Saunders has been teaching a class on the Russian short story to his MFA students at Syracuse University. In *A Swim in a Pond in the Rain*, he shares a version of that class with us, offering some of what he and his students have discovered together over the years. Paired with iconic short stories by Chekhov, Turgenev, Tolstoy, and Gogol, the seven essays in this book are intended for anyone interested in how fiction works and why it's more relevant than ever in these turbulent times. In his introduction, Saunders writes, “We’re going to enter seven fastidiously constructed scale models of the world, made for a specific purpose that our time maybe doesn’t fully endorse but that these writers accepted implicitly as the aim of art—namely, to ask the big questions, questions like, How are we supposed to be living down here? What were we put here to accomplish? What should we value? What is truth, anyway, and how might we recognize it?” He approaches the stories technically yet accessibly, and through them explains how narrative functions; why we stay immersed in a story and why we resist it; and the bedrock virtues a writer must foster. The process of writing, Saunders reminds us, is a technical craft, but also a way of training oneself to see the world with new openness and curiosity. *A Swim in a Pond in the Rain* is a deep exploration not just of how great writing works but of how the mind itself works while reading, and of how the reading and writing of stories make genuine connection possible.

The College World Series-W.C. Madden 2005-05-11 Since 1950, Omaha's Rosenblatt Stadium (formerly Municipal Stadium) has hosted the nation's top college baseball programs in the College World Series. Baseball fans from every corner of the country have taken the annual “Road to Omaha” and packed the seats to see championship baseball at its best. In 1954 thousands saw Jim Ehrler of Texas toss the tourney's first no-hitter en route to the Longhorns winning back-to-back CWS championships. Fans at the 1970 tournament saw Southern Cal defeat Florida State in the midst of their unmatched five-year championship run. In 1996 Rosenblatt's faithful took in the

dramatic bottom-of-the-ninth, two-out, two-run homer by Louisiana State's Warren Morris, giving his team a 9-8 upset victory over powerhouse Miami.

I'm Frustrated-Elizabeth Crary 1992 A young boy discusses his feelings of frustration with his mother who suggests ways for him to understand and deal with such emotions.

The Book Thief-Markus Zusak 2007-12-18 The extraordinary #1 New York Times bestseller about the ability of books to feed the soul even in the darkest of times. Nominated as one of America's best-loved novels by PBS's The Great American Read. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist-books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. "The kind of book that can be life-changing." —The New York Times "Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank." —USA Today **DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.**

Al Capone Does My Shirts-Gennifer Choldenko 2006-04-20 The Newbery Honor Book and New York Times Bestseller that is historical fiction with a hint of mystery about living at Alcatraz not as a prisoner, but as a kid meeting some of the most famous criminals in our history. *Al Capone Does My Shirts* has become an instant classic for all kids to read! Today I moved to Alcatraz, a twelve-acre rock covered with cement, topped with bird turd and surrounded by water. I'm not the only kid who lives here. There are twenty-three other kids who live on the island because their dads work as guards or cooks or doctors or electricians for the prison, like my dad does. And then there are a ton of murderers, rapists, hit men, con men, stickup men, embezzlers, connivers, burglars, kidnappers and maybe even an innocent man or two, though I doubt it. The convicts we have are the kind other prisons don't want. I never knew prisons could be picky, but I guess they can. You get to Alcatraz by being the worst of the worst. Unless you're me. I came here because my mother said I had to. Cloudy with a Chance of Meatballs-Judi Barrett 2008-05-06 Imagine if food fell from the sky like rain... wouldn't it be great? Or would it? This is what happened in the tiny town of Chewandswallow. In many ways it was much the same as any other small town, except for the weather... which came three times a day, at breakfast, lunch and dinner. Sometimes it rained soup and juice, or snowed mashed potatoes, once or twice it even blew up a storm of hamburgers. Life was pretty delicious in Chewandswallow...until the weather took a turn for the worse!

The Third Reconstruction-William J. Barber (II) 2016 "In the summer of 2013, Moral Mondays gained national attention as tens of thousands of citizens protested the extreme makeover of North Carolina's state government and over a thousand people were arrested in the largest mass civil disobedience movement since the lunch counter sit-ins of 1960. Every Monday for 13 weeks, Rev. Dr. William J. Barber led a revival meeting on the state house lawn that brought together educators and the unemployed, civil rights and labor activists, young and old, documented and undocumented, gay and straight, black, white and brown. News reporters asked what had happened in state politics to elicit such a spontaneous outcry. But most coverage missed the seven years of coalition building and organizing work that led up to Moral Mondays and held forth a vision for America that would sustain the movement far beyond a mass mobilization in one state. A New Reconstruction is Rev. Barber's memoir of the Forward Together Moral Movement, which began seven years before Moral Mondays and extends far beyond the mass mobilizations of 2013. Drawing on decades of experience in the Southern freedom struggle, Rev. Barber explains how Moral Mondays were not simply a reaction to corporately sponsored extremism that aims to re-make America through state legislatures. Moral Mondays were, instead, a tactical escalation in the Forward Together Moral Movement to draw attention to the anti-democratic forces bent on serving special interests to the detriment of the common good"--

When Sophie Gets Angry--Really, Really Angry...-Molly Bang 2016-04-26 "Oh is Sophie ever angry now!" Everybody gets angry sometimes. For children, anger can be very upsetting. Hour of the Bees-Lindsay Eagar 2016-03-08 What does it mean to be fully alive? Magic blends with reality in a stunning coming-of-age novel about a girl, a grandfather, wanderlust, and reclaiming your roots. Things are only impossible if you stop to think about them. . . . While her friends are spending their summers having pool parties and sleepovers, twelve-year-old Carolina — Carol — is spending hers in the middle of the New Mexico desert, helping her parents move the grandfather she's never met into a home for people with dementia. At first, Carol avoids prickly Grandpa Serge. But as the summer wears on and the heat bears down, Carol finds herself drawn to him, fascinated by the crazy stories he tells her about a healing tree, a green-glass lake, and the bees that will bring back the rain and end a hundred years of drought. As the thin line between magic and reality starts to blur, Carol must decide for herself what is possible — and what it means to be true to her roots. Readers who dream that there's something more out there will be enchanted by this captivating novel of family, renewal, and discovering the wonder of the world.

After the Rain-Renée Carlino 2014-11-11 From the USA TODAY bestselling author of Sweet Thing and Nowhere But Here comes a deeply emotional contemporary romance about the second chances waiting beyond the shattered dreams of youth. When eighteen-year-old Avelina Belo meets a charismatic cowboy the summer before her senior year of high school, she doesn't know that accepting his invitation to dinner will lead to a whirlwind marriage three months later and an exciting new life on a Montana ranch. She also doesn't know that, in a few short years, fate will send everything crashing down around her. A thousand miles away and fresh out of medical school, Nate Meyers is poised to become UCLA's next superstar heart surgeon. His laser focus is the key to his success, but it's also his greatest liability. When a routine surgery ends in disaster, derailing his career, he's confronted with the hard truth: there's no one waiting for him at home, no one to help him pick up the pieces. Regrouping on his uncle's Montana ranch, Nate meets Avelina, a beautiful but mysterious young woman who keeps to herself and barely speaks a word. As he discovers the details of her devastating past, Avelina teaches him more about matters of the heart than he ever knew before. But can they trust each other enough to put everything on the line?
