A Dictionary of Business and Management

Jonathan Law 2016 This wide-ranging and authoritative dictionary contains over 7,100 entries covering all areas of business and management, including marketing, organizational behaviour, business strategy, law, and taxation. In its sixth edition, it features the very latest developments, such as those relating to information technology (including mobile technology), and the financial crisis and the subsequent sovereign debt crisis. Entries have been updated to refer to recent events and news in the field, for example the LIBOR scandal. Over 100 new entries have been added including bitcoin, Cog's Ladder, mobile commerce, Six Sigma, social media, theory of institutional deficiencies, and zero-hours contract. Furthermore, there is expanded coverage of areas such as financial regulation and corporate social responsibility, with a number of new entries offering insight into these topics, including peer-shocks defence and Financial Conduct Authority. The new edition of this established bestselling dictionary elucidates modern financial and management jargon, defining entries in a clear, concise, and accessible manner. With recommended web links for many entries, accessible and kept up to date via the Dictionary of Business and Management companion website, this edition is more informative than ever. This A–Z reference work is essential for business students, teachers and professionals, and useful for anyone needing a guide to business terminology.

The Complete Dictionary of Mortgage & Lending Terms Explained Simply-Atlantic Publishing Group 2011 Lenders and prospective home buyers alike have turned their attention to financial news, carefully watching the market since the 2007 housing and credit crisis. Recently, mortgage rates continued to drop to historic lows, changing on a daily basis. With their fluctuating rates and the current economic climate, mortgages are as complicated as ever. Anyone interested in acquiring a mortgage, refinancing a current mortgage, or starting a business career in lending has probably heard financial professionals use unfamiliar terms. But, with a little help from this comprehensive dictionary, you can easily converse with professionals and understand industry jargon. The Complete Dictionary of Mortgage & Lending Terms Explained Simply explains all the important financial terms you will encounter as you navigate the mortgage market. With easy-to-understand definitions, this dictionary covers everything from accrued interest to wraparound mortgages. It covers types of mortgages, parts of loan agreements, types of insurance, and even home-inspection terms. This resource uses simple language to describe the many concepts it covers, ensuring that even those without any financial or real estate experience will understand the definitions. With more than 1,800 terms, this dictionary allows you to understand almost every term you come across during your encounter with the lending process, whether you are researching the difference between trusts and liens or examining a prospective home’s features. In addition to outlining terms associated with lending, it also includes information about important legislative acts and federal agencies that affect financing. The handy A-to-Z organization allows you to quickly find any information you need, even during nerve-wracking negotiations. The definitions also include any abbreviated forms of the terms, so you will be able to tell your ARMs (adjustable-rate mortgages) from your REITs (real estate investment trusts). This guide defines the players, the problems, the process, and the procedures. Whether you are looking to buy a home, trying to refinance, taking a finance class, or simply curious about the mortgage and lending industry, this dictionary is an indispensable guide to the many terms, tools, and agreements you will encounter at every step of the complex lending process. Atlantic Publishing is a small, independent publishing company based in Ocala, Florida. Founded over twenty years ago in the company president’s garage, Atlantic Publishing has grown to become a renowned resource for non-fiction books. Today, over 450 titles are in print covering subjects such as small business, healthy living, management, finance, careers, and real estate. Atlantic Publishing prides itself on producing award-winning, high-quality manuals that give readers up-to-date, pertinent information, real-world examples, and case studies with expert advice. Every book has resources, contact information, and web sites of the products or companies discussed.

Business Words You Should Know-H. Dean McKay 2007-12-01 “Do you know what Accounting Noise is? How about Illiquid? Bricks and Clicks? Any idea what GAAP, LBO, RFP, or SOW stand for? Let’s face it: You can’t survive the corporate jungle today unless you speak the language. It’s time to learn! With this easy-to-use, easy-to-understand guide, you will: Learn key business vocabulary and how to use it confidently Be able to reference critical terms from all areas of business Locate more than 1,000 clear definitions, and set up in dictionary style, Business Words You Should Know features not only definitions, but also offers sample sentences and similar terms for each entry, as well as lists of acronyms and common business concepts. Whether you’re looking for a job or are already in the thick of today’s challenging business environment, you’ll speak the language of the pros in no time! GRE 4000 Jeff Kolby 2021-01-15 The verbal section of the GRE is essentially a vocabulary test. With a few exceptions, if you know the word, you will probably be able to answer the question correctly. Thus, it is crucial that you improve your vocabulary. Even if you have a strong vocabulary, you will still encounter unfamiliar words on the GRE. Many students write off questions, which contain words, they don’t recognize. This is a mistake. This book introduces numerous techniques that decode unfamiliar words and prod your memory of words you only half remember. With these techniques, you will often be able to squeeze out enough meaning from an unfamiliar word to answer a question correctly. Nevertheless, don’t rely on just these techniques—you must study word lists. Obviously, you cannot attempt to memorize the dictionary, and you don’t need to. The GRE tests a surprisingly limited number of words, and this book has 4000 prime candidates. Granted, memorizing a list of words is rather dry, but it is probably the most effective way of improving your performance on the verbal section. All the words you need for success on the GRE! Features: * 4000 Words Defined * Word Analysis section * 200 Prefixes, Roots, and Suffixes * Concise, practical definitions

Portuguese Business Dictionary-Merry Sofer 2006 This dictionary is designed to facilitate business between the Portuguese and English-speaking countries. The first of its kind in the global market, these terms encompass accounting, economics, insurance, real estate, modern banking, computers, the Internet, and more. Terms used by organizations like the United Nations, World Bank, and the International Monetary Fund are also included.

Spanish-English Dictionary of Law and Business-Thomas L. West 1999 This new dictionary provides a ready reference to essential terms and phrases used in all areas of law and business, including accounting, banking, civil law, civil procedure, contracts, corporate law, criminal law, criminal procedure, economics, intellectual property, labor law, real property, secured transactions, securities law, and torts. Written by an American attorney who is also an accredited translator, it provides complete coverage of terminology used in all Spanish-speaking countries, not just those countries where the other bilingual dictionaries on the market were written (i.e., Spain and Argentina). Accordingly, it is the only source for translations of terms that are unique to countries such as Colombia, Peru and Venezuela. The dictionary was thoroughly researched using original documents and monolingual dictionaries from the Spanish-speaking various countries and is thus authoritative and up-to-date. No lawyer or translator who works with Spanish legal and business documents can afford to be without it.

Dictionary of Computer and Internet Terms-Douglas Downing 2017-11-01 This updated edition includes the most recent terms relating to constantly expanding computer and Internet technology. More than 3,200 terms and definitions deal with: Practical guidance for business software users Computer security, law, and ethics Computer programming, with examples in several computer languages Internet culture and latest developments Previous editions of this user-friendly book have proved especially helpful to readers who feel intimidated by computer technicians’ jargon. The authors clarify technical terminology while keeping to the highest standards of accuracy. One grateful reader called this book the “Rosetta Stone” for deciphering computer terms. Features many line illustrations and tables.

Dictionary of Accounting Terms-Jae K. Shim 2013-08-01 Barrons Test Prep Material that is now out of print.

Wiley's English-German, German-English Business Dictionary-Chriska Britt 1995-11-17 Written by two native German speakers who have taught business German for 20+ years, this is the most up-to-date and easy-to-use bilingual dictionary available. Contains the 16,000 words and phrases most frequently used in international business covering such topics as economics, banking and finance, management, marketing, accounting and statistics.
