Religion in Japan manifests primarily in Shinto and in Buddhism, the two main faiths, which Japanese people often practice simultaneously. According to estimates, as many as 80% of the populace follow Shinto rituals to some degree, worshiping ancestors and spirits at domestic altars and public shrines. An almost equally high number is reported as Buddhist.

Religion is the substance, the ground, and the depth of man's spiritual life. When religion is seen in terms of sacred, divine, intensive valuing, or ultimate concern, then it is possible to understand why scientific findings and philosophical criticisms (e.g., those made by Richard Dawkins) do not necessarily disturb its adherents. Aspects

If football is a religion, then to many, money is god. Each week, millions of dollars change hands between clubs and players, fans and ticket offices, and sponsors and clubs. Professional football does indeed live up to the capitalist ideal; that if there is money to be made, someone will find a way to make it.
