Shaping the Field of Translation In Japanese ↔ Turkish Contexts II Ryō Miyashita 2019-05-31 The academic discipline of translation studies is only half a century old and even younger in the field of bilateral translation between Japanese and Turkish. This book is the second volume of the world’s first academic book on Turkish-Japanese translation. While this volume gathered discussions on translation studies with theor and applied aspects, literature, linguistics, and philosophy, the second volume deals with the history of translation, philosophy, culture education, language education, and law. It also covers the translation of historical materials and divan poetry. These books will be the first steps to discuss and develop various aspects of the field. Such compilation brings together experienced and young Turkology and Japanology scholars as well as academics linked to translation studies and translation, and also translators. Both volumes contain 24 essays written by twenty-two writers from Japan, Turkey, USA and China. Special notes by Üzlem BERK ALBCHANTEN, Special notes by Nobuo MISAWA, Ryō MIYASHITA, Esin ESEN, Shingo YAMASHITA, Gülenen ÖZENAYDIN, İkku NAGASHIMA, Ibrahim Sosen ÖZDEMİR, Sinan LEVENT, Barış SAKAUE, Yukiko KONDO, Okan Haluk AKBAY, Aytenem DEPÇİ

Our Happy Time-Gong Ji-young 2014-07-01 Already a wildly popular bestseller in South Korea, this gripping and passionate debut novel is a death row love story of crime, punishment, and forgiveness—vively told by the exquisitely talented Gong Ji-young. Yu-Jung, beautiful, wealthy, and bright, is lying in her hospital bed, recovering from her third suicide attempt, when she receives a life-changing visit. Her no-nonsense aunt, a nun, appears by her side and suggests Yu-Jung accompany her on a charitable visit to death row. At her lowest ebb, Yu-Jung is resistant. But something compels her to go to the prison. There she meets Yun-Soo, a convicted murderer who will soon be put to death. Though she is repelled by his crimes, something about the depth of his suffering strikes a chord in her. Shaken by their encounter, she returns to visit him the next week. And the next... Through their weekly, hour-long meetings, Yu-Jung and Yun-Soo slowly reveal to each other the dark secrets of their pasts and the hidden traumas that have shaped their lives. In doing so they form a deep, unbreakable bond, helping one another overcome their demons. But Yun-Soo’s hands are always in cuffs, the prison officers are always in the background, and they can never lose sight of the fact that their happy time together is tragically brief. Gracefully poetic and ideal for fans of Kyung-Sook Shin’s Please Look After Mother, Our Happy Time is a passionate and heartbreaking love story as well as an important, hard-hitting, and compassionate fable.

Schoolgirl-Osamu Dazai 2012-03-19 The novella that first propelled Dazai into the literary elite of post-war Japan. Essentially the start of Dazai’s career, Schoolgirl gained notoriety for its ironic and inventive use of language. Now it illuminates the prevalent social structures of a lost time, as well as the struggle of the individual against them—a theme that occupied Dazai’s life both personally and professionally. This new translation preserves the playful language of the original and offers the reader a new window into the mind of one of the greatest Japanese authors of the 20th century.

Early Light-Osamu Dazai 2022-07-05 Early Light gathers three tales by Osamu Dazai, author of the wildly popular No Longer Human

Teach Us to Outgrow Our Madness-Kenzaburo Oe 2011-05-16 The Nobel Prize-winning “master of the bizarre plunges the reader into a world of tortured imagination” in this four-novella collection (Library Journal). In this startling quartet of his most provocative stories, the multiple prize-winning author of A Personal Matter reaffirms his reputation as “a supremely gifted writer” (The Washington Post). In The Day He Himself Shall Wipe My Tears Away, a self-absorbed narrator on his deathbed drifts off to the comforting strains of a cantata as he recalls a blistering childhood of militarism, sacrifice, humiliation, and revenge—a tale that is questioned by everyone who knew him. In Prize Stock, winner of the Akutagawa Prize, a black American flier is downed in a Japanese village during World War II, where the local children see him as some rare...
find—exotic and forbidden. In Agahwee the Sky Monster, the floating ghost of a baby inexplicably haunts a young man on the first day of his first job. And in the title story, a devoted father believes he is the only link between his mentally challenged son and reality. “[A] remarkable book.” --The Washington Post “He is definitely one of the Modern Masters.” --Seattlespi.com

Studio Ghibli Coln Odell 2009-09-01 The animations of Japan's Studio Ghibli are amongst the highest regarded in the movie industry. Their delightful films rank alongside the most popular non-English language films ever made, with each new eagerly-anticipated release a guaranteed box-office smash. Yet this highly profitable studio has remained fiercely independent, producing a stream of imaginative and individual animations. The studio's founders, long-time animators Isao Takahata and Hayao Miyazaki, have created timeless masterpieces. Although their films are distinctly Japanese their themes are universal—humanity, community, and a love for the environment. No other film studio, animation or otherwise, comes close to matching Ghibli for pure cinematic experience. All their major works are examined here, as well the early output of Hayao Miyazaki and Isao Takahata, exploring the cultural and thematic threads that bind these films together.

Istanbul Orhan Pamuk 2017 A portrait, by turns intimate and panoramic, of one of the world's great cities, by its foremost man of letters. Blending reminiscence with history, family photographs with portraits of poets and pashas, art criticism, metaphorical musings, and, now and again, a fanciful tale, Pamuk invents an ingenious engine to evoke his lifelong obsession. The city that forged his imagination. He begins with his childhood, his first intimations of the melancholy awareness of living in the seat of ruined imperial glories, in a country trying to become 'modern' at the crossroads of East and West. Against a background of shattered monuments, neglected villas,各式各样 backstreets, and, above all, the faded waters of the Bosphorus, he charts the evolution of a rich imaginative life, which furnished a daydreaming boy refuge from family discord and inner turmoil, and which would continue to serve the famous writer he was to become. --From publisher description.

The Wedding Trap Tracy Anne Warren 2006-05-30 From ugly duckling to beautiful swan Eliza Hammond has been quiet and reserved-butyet the best qualities for finding the man of her dreams and living happily ever after. A new heiress, Eliza is financially secure, courtesy of her aunt's fortune, but even great wealth has its drawbacks since every greedy, fortune-hunting bachelor suddenly finds Eliza irresistible. To help her best friend, Violet takes Eliza's romantic dilemma into her own hands, enlisting the social skills of her brother-in-law, Lord Christopher 'Kit' Winter. Kit helps transform Eliza into a stunning belle, certain to attract a worthy beau. There's just one problem: Eliza has always been head over heels in love with Kit, the very man who is trying to find her a husband! But during Eliza's sometimes-comic extreme makeover, and with a few secret love letters from Kit on the side, sparks-and passionate kisses-begin to fly. Kit soon finds himself completely overcome by an all-consuming desire for Eliza. But if he fails to realize his true love for her, he may lose this fair lady forever.

Family Matters Sŏ-yŏng Hwang 2018-07-12 A vibrant and enchanting novel from one of Korea's most celebrated writers. When 14-year-old Bugeye and his mother arrive at Flower Island - a vast landfill site on the outskirts of Seoul - they soon become part of the eclectic community of impoverished outsiders who make their living weeding recyclables from the rubbish. Then, one night, Bugeye notices mysterious lights dancing around the landfill ... Could it be the island's ancient spirits? Is his luck about to change? Familiar Things depicts a society on the edge of dizzying economic and social change. It is a haunting reminder to us all to be careful of what we throw away.

Amok Stefan Zweig 2017-05-12 The nameless first person narrator travels from India to Europe on the ocean liner Oceania in 1912. One night, he meets a man who, disturbed and scared, avoids any social contact on the ship. The following night the narrator meets this man again. Although intimidated at first, the man soon begins to trust the narrator and tells him his story. When the first person woman narrator offers to help the doctor, the woman narrates the story of her fiancé, who was being kidnapped, and the woman doctor threw himself onto the coffin of the coffin that was fastened to ropes, thereby dragging both the coffin and him down to the bottom of the sea. Neither could the person running amok be saved nor could the coffin be recovered.

Why Translation Matters Edith Grossman 2010-01-01 “Why Translation Matters argues for the cultural importance of translation and for a more comprehensive understanding of the translator's role. As the acclaimed translator Edith Grossman writes in her introduction, "My intention is to stimulate a new consideration of an area of literature that is too often ignored, misjudged, or misrepresented." For Grossman, translation has a transcendent importance: “Translation not only plays its important traditional role as the means that allows us access to literature originally written in one of the countless languages we cannot read, but it also represents a concrete literary presence with the crucial capacity to ease and make more meaningful our relationships to those with whom we may not have had a connection before. Translation always helps us to know, to see from a different angle, to attribute new value to what once may have been unfamiliar. As nations and as individuals, we have a critical need for that kind of understanding and insight. The alternative is unthinkable.”--Jackett.

The Setting Sun Osamu Dazai 1968-01-17 This powerful novel of a nation in social and moral crisis was first published by New Directions in 1956. Set in the early postwar years, it probes the destructive effects of war and the transition from a feudal Japan to an industrial society. Osamu Dazai died, a suicide, in 1948. But the influence of his book has made “people of the setting sun” a permanent part of the Japanese language, and his heroine, Kazuki, a young aristocrat who deliberately abandons her class, a symbol of the anomic which pervades so much of the modern world.

Shadow Family Miyuki Miyabe 2005-10-25 This is a murder mystery focusing on the dark world of internet chat rooms populated by people attracted by the chance to be whoever they want to be. Alice investigating the murder of a middle-aged office worker discovers电子信息 the victim's computer that he had been a regular participant in internet chat room chat. He wrote about a fantasy family “of which he is the father: the other members of this shadow family being people he had met. As a detective is assigned to protect the dead man's real-life teenage daughter Kazumi, who says she's been stalked. The inspector in charge suspects him to be involved in a controversy experimental investigation of questioning members of the internet family while Kazumi watches behind a one-way mirror to see if she recognises any of them, either by appearance, voice or the way she talks. Interestingly, Kazumi talks about her feelings towards her parents, and her boyfriend with whom she is in constant emailcontact via her cellphone...Excellent detective fiction that keeps you guessing until the end, and enthralls Miyabe's skillful characterisation to the

The Passage Justin Cronin 2010-06-08 The Andromeda Strain meets The Stand in this startling and stunning thriller that brings to life a unique vision of the apocalypse and plays brilliantly with vampire mythology, revealing what becomes of human society when a top-secret government experiment spins wildly out of control. At an army research station in Colorado, an experiment is being conducted by the U.S. government: men are exposed to a virus meant to weaponize the human form by super-charging the immune system. But when the experiment goes terribly wrong, terror is unleashed. Amy, a young girl abandoned by her mother and set to be the thirteenth test subject, is rescured by Brad Wolfgast, the FBI agent who has been tasked with handling her over, and together they escape to the mountains of Oregon. As civilization crumbles around them, Brad and Amy struggle to keep each other alive, clinging to hope and unable to comprehend the nightmare that approaches with great speed and no mercy. . .

The Disconnected Oguz Atay 2017-03

Cracking Mountain and Other Stories Osamu Dazai 2012-04-10 Cracking Mountain and Other Stories features eleven outstanding works by Osamu Dazai, widely regarded as one of the 20th century Japan's most gifted writers. Dazai experimented with a wide variety of short story...
styles and brought to each a sophisticated sense of humor, a broad empathy for the human condition, and a tremendous literary talent. The eleven stories in this collection of Japanese literature present the most fully rounded portrait available of a tragic, multifaceted genius of modern Japanese letters.

**Horrific Sufferings of the Mind-Reading Monster Hercules Barefoot**

Joseph Saramago 2011-05-01

Thought-provoking and lyrical, *The Notebook* records the last year in the life of José Saramago. In these pages, beginning on the eve of the 2008 US presidential election, he evokes life in his beloved city of Lisbon, revisits conversations with friends, and meditates on his favorite authors. Precise observations and moments of arresting significance are rendered with pointillist detail, and together demonstrate an acute understanding of our times. Characteristically critical and uncompromising, Saramago dissects the financial crisis, deplores Israel’s punishment of Gaza, and reflects on the rise of Barack Obama. *The Notebook* is a unique journey into the personal and political world of one of the greatest writers of our time.

**City of Ash and Red**

—Hye-young Pyun 2020-03-17

NAMED AN NPR GREAT READ OF 2018 From the Shirley Jackson Award–winning author of *The Hole*, a Kafkaesque tale of crime and punishment hailed by Korea’s Wall Street Journal as “an airtight masterpiece.” Distinguished for his talents as a rat killer, the nameless protagonist of Hye-young Pyun’s *City of Ash and Red* is sent by the extermination company he works for on an extended assignment in C, a country descending into chaos and paranoia, swept by a contagious disease, and flooded with trash. No sooner does he disembark than he is whisked away by quarantine officials and detained overnight. Isolated and forgotten, he realizes that he is stranded with no means of contacting the outside world. Still worse, when he finally manages to reach an old friend, he is told that his ex-wife’s body was found in his apartment and he is the prime suspect. Barely managing to escape arrest, he must struggle to survive in the streets of this foreign city gripped with fear of contamination and reestablish contact with his company and friends in order to clear his reputation. But as the man’s former life slips further and further from his grasp, and he looks back on his time with his wife, it becomes clear that he may not quite be who he seems. From the bestselling author of *The Hole*, *City of Ash and Red* is an apocalyptic account of the destructive impact of fear and paranoia on people’s lives as well as a haunting novel about a man’s loss of himself and his humanity.

**City of Ash and Red**

—Kenzaburo Oe 2011-05-16

From the Nobel Prize–winning author: “One of the great short novels of the 20th century” (Jonathan Franzen, *The Wall Street Journal*). Internationally acclaimed as one of the world’s most influential writers, Kenzaburó Oe brings to the fore the post-WWII rape and anxiety of a decorous society in this “deadly black comedy . . . dripping with nuclear terror” (*The Japan Times*). Bird is an antimcocial twenty-seven-year-old intellectual hanging on to a failing marriage with whiskey. He dreams of going to Africa where the sky sprawls with possibilities. Then, as though wallowed by a massive invisible fist, Bird’s Utopian fantasies are shattered when his wife gives birth to what he calls their “monster baby.” Now, Bird is left with one question: How can he and his wife spend the rest of their lives with this damaged thing clinging to their backs? As shameful, disgraceful, and unacceptable a desire as it is, Bird has an answer. Not sealed. Not just yet. Not before Bird flees on a header of indiscriminate (and frustratingly impotent) sex, hard liquor, self-delusion, and most terrifying of all—self-discovery. [It] forgot just how crazy it is . . . It feels so much like life to me . . . it tells me that Oe is onto something correct. People don’t want to deal with reality.” —Jonathan Franzen, *The Wall Street Journal* “Very close to a perfect contemporary novel.” —The New York Times “An astonishing novel.” —Mother Jones

**The Narrow Road to the Deep North and Other Travel Sketches**

—Matsuo Basho 2020-02-27

“It was with awe That I beheld Fresh leaves, green leaves, Bright in the sun” When the Japanese haiku master Basho composed *The Narrow Road to the Deep North*, he was an ardent student of Zen Buddhism, setting off on a series of travels designed to strip away the trappings of the material world and bring spiritual enlightenment. He writes of the seasons changing, the smell of the rain, the brightness of the moon and the beauty of the waterfall, through which he sensed the mysteries of the universe. These writings not only chronicle Basho’s travels, but they also capture his vision of eternity in the transient world around him. Translated with an Introduction by Nobuyuki Yuasa

**The Narrow Road to the Deep North and Other Travel Sketches**

—Osamu Dazai 2016-05-16

The war is over. Japan is defeated. As his country rebuilds, a young man must fight disease and rebuild his life. He will start at a peculiar sanatorium, where everyone gets a nickname, and where he is surrounded by an odd assortment of patients and caregivers.

**Pandora’s Box**

—Carl-Johan Vallgren 2007-03-27

Horrific Sufferings of the Mind-Reading Monster Hercules Barefoot is the picaresque fable of the love that grows between the mute, telepathic human monstrosity Hercules and the beautiful Henriette—a love that will entwine their fates forever. Author Carl-Johan Vallgren creates an unforgettable cast of grotesqueries in a magical and atmospheric tour of nineteenth-century Europe—from the bordello, where Hercules is born, to the squalor of the asylum, where he finds only pain, to the sinister grandeur of the Jesuit monasteries in which he finds both shelter and peril, to the phantasmagoria of the freak show with which he travels. A moving, uplifting, at times dark and macabre tale of social oppression, official corruption, religious persecution, and unwavering devotion, it is a story that enchants and surprises . . . and leaves one wide-eyed with wonder, like a small child at first vacation.
