The One Thing You’d Save
Linda Sue Park 2021-03-16 If your house were on fire, what one thing would you save? Newbery Medalist Linda Sue Park explores different answers to this provocative question in linked poems that capture the diverse voices of a middle school class. Illustrated with black-and-white art. When a teacher asks her class what one thing they would save in an emergency, some students know the answer right away. Others come to their decisions more slowly. And some change their minds when they hear their classmates’ responses. A freely dialoguing verse is the students discover unexpected bonds of one another—and themselves. With her ear for authentic diction and knowledge of teens’ priorities and emotions, Linda Sue Park brings the varied voices of an inclusive classroom to life through carefully honed, engaging, and instantly accessible verse.

When You Are Engulfed in Flames
David Sedaris 2008-06-03 "David Sedaris’s ability to transform the mortification of everyday life into wildly entertaining art..." (The Christian Science Monitor) is elevated to wiser and more entertaining heights than ever in this remarkable new book. Trying to make coffee when the water is shut off, David considers using the water in a vase of flowers and his chains of associations takes him from the French countryside to a hilariously uncomfortable memory of buying drugs in a mobile home in rural North Carolina. In essay after essay, Sedaris proceeds from hilarious exaggerations of daily life—having a kangaroo fall from your mouth into the lap of a fellow passenger on a plane—to mourning the shadows with LP covers to protect the house from semantic complaints to the most deeply resonant human truths. Culminating in a brilliant account of his venture to Tokyo in order to quit smoking, David Sedaris’s sixth essay collection is a new masterpiece of comic writing from “a writer worth treasuring” (Seattle Times). Praise for When You Are Engulfed in Flames: "Wiser, wittier, smarter, and funnier." Sedaris...Defies the odds once again by delivering an intelligent take on the banalities of an absurd life...--Kirkus Reviews This latest collection proves that not only does Sedaris still have it, but he’s also getting better... Sedaris’s best stuff will still be all this time—worse, perhaps, and entertaining. --Revised Table of Contents. It’s Catching ‘Keepin’ Up The Undertow This Old House Really. Can You Spare a Teen?
